Sao Tome with Kathleen Becker

This trip will be led by Kathleen Becker, author of the Bradt Travel Guide for Sao Tome and Principe. Kathleen will take us into the heart of the country to provide a unique insight into this small and enchanting destination. Described in the Bradt Travel Guide as a 'largely undiscovered, uniquely rewarding and safe destination with an exciting blend of African, Portuguese and Caribbean cultures', our discovery of this island will include visiting secluded beaches, swimming in its pristine waters and hiking in its rainforest while on the lookout for an abundant array of wildlife, specifically birds and plants. A boat trip along the wild west coast of the island will lead to hidden waterfalls and rock formations while there are opportunities to visit colonial plantation houses and sample some of the best coffee and chocolate in the world. Combine this with gaining an insight into its turbulent history and the only thing left to do will be to get into the laid-back Santomean way of life and enjoy this paradise island
