Sao Tome with Kathleen Becker

- TRIP CODE SAT

DISCOVERY

Why book this trip?

This trip will be led by Kathleen Becker, author of the Bradt Travel Guide for Sao Tome and Principe. Kathleen will take us into the heart of the country to provide a unique insight into this small and enchanting destination. Described in the Bradt Travel Guide as a 'largely undiscovered, uniquely rewarding and safe destination with an exciting blend of African, Portuguese and Caribbean cultures', our discovery of this island will include visiting secluded beaches, swimming in its pristine waters and hiking in its rainforest while on the lookout for an abundant array of wildlife, specifically birds and plants. A boat trip along the wild west coast of the island will lead to hidden waterfalls and rock formations while there are opportunities to visit colonial plantation houses and sample some of the best coffee and chocolate in the world. Combine this with gaining an insight into its turbulent history and the only thing left to do will be to get into the laid-back Santomean way of life and enjoy this paradise island

DAY 2 - Explore the colonial heritage and sights of Sao Tome town

Today we explore the sights and sounds of the small city of Sao Tome. Originally established in 1493, the town gained prominence off the back of sugarcane and the slave trade; it was over the next 50 years that work started on the cathedral and the Fort of Saint Sebastian, the first sight we will visit on the island.

The fort houses the National Museum, detailing the history of Sao Tome and the legacy of labour-intensive crops: cocoa and coffee predominately feature too, a reminder of the key part both have played in the story of this beautiful island. We will walk along the seafront to Independence Square, enjoying the hustle and bustle of the town, filled with colourful buildings, street vendors selling jackfruit, and motorbikes buzzing around. After visiting the Mercado and our lunch on a peaceful terrace restaurant overlooking the bay, the afternoon is free for you to rest and visit Claudio Corrallo chocolate factory (reputedly home to the best chocolate in the world).

DAY 3 - Journey down the east coast stopping at fishing villages and beaches

Today we'll take the ocean road, driving through small fishing villages and past beautiful beaches, including a few swimming stops, to Roça 'c1gua Izé, a beautiful old plantation where cocoa production first started. Not far down the road, we'll make a stop at the natural blowhole of Boca do Inferno. A leisurely lunch will be had at the Roça Sao Joao Angolares which, according to our very own Kathleen Becker serves some of the best food in Sao Tome, in the heart of the Angolares community - a fishing people said to be descendants of runaway slaves. After lunch we can take a stroll through the working plantation before continuing south to Praia Inhame.

ACCOMMODATION:
Hotel Praia Inhame (or similar)

Grade: Comfortable Cabins

DAY 4 - Fishing boat trip through mangroves, swim in pristine waters

This morning we board local fishing boats and are peacefully steered through mangroves from the town of Malanza. The mangroves are a great place to spot birds including Striated heron, malachite kingfisher and the reed cormorant; we will be out on the boat for around 90 minutes. After elevenses, we will explore the Southern Beaches, including Praia Piscina, an idyllic place for swimming and one of the best beaches on the island. We'll enjoy a traditional Sao Tomean lunch and beachcombing at Praia Jalé, a turtle beach (as are many of the beaches in the area) and a great place to stop for a refreshing Nacional beer brewed on the island.

ACCOMMODATION:
Hotel Praia Inhame (or similar)

Grade: Comfortable Cabins

SINGLE ROOM AVAILABLE

MEALS PROVIDED: BREAKFAST AND LUNCH

DAY 5 - Stand on the equator, boat trip up the rugged west coast

We have an early start today to board our boat to the isle of Rolas and to boldly stride between two hemispheres as we reach the equator! There will be swimming and snorkelling opportunities available this morning to cool off and enjoy the waters. Depending on the weather we will either have lunch right on the beach, where snorkelling is available, or in the village. After lunch, we'll experience a boat journey up the west coast of Sao Tome, on the lookout for endemic birds and marine life. We'll stay close to the coast as we slowly cruise past forest, waterfalls and small villages on our way to Neves town where we go ashore. A short drive takes us to Mucumbli, our home for the next 3 nights.

DAY 6 - Free time on the beach

After a fairly busy few days, today there is time to relax and take things at your leisure. We have no organised activities, but our chalets are located above a beach for a spot of swimming, the grounds are a botanical garden, and the panoramic terrace overlooking the sea is perfect for lounging and catching up with a book. For those that want to explore the local area, an optional afternoon 25km cycle will be available with Kathleen and a local guide along the coastal road to Santa Catarina, a bustling fishing village where it is sometimes possible to see a canoe being made by hand. Optional hikes are available with Mucumbli guides. The food served at our accommodation is the perfect combination of local produce and innovative Italian flair.

From here, a 2-hour hike to Roça Ponta Figo takes us through secondary forest and savannah landscape teeming with birds and past the small community of Generosa, a satellite plantation of the historic Roça Monteforte, which we will rejoin after a short transfer back from Ponta Figo for a local lunch on the plantation terrace. The late afternoon is free to make the most of being so close to the sea or simply enjoy the peace and quiet of our accommodation.

We can expect to see many of the endemic birds of Sao Tome. After driving back to the mother plantation of Monte Café we will enjoy a late lunch at a family-run coffee producer's restaurant, and there will be opportunity to buy some coffee if you wish to take a little bit of Sao Tome home with you. Tonight there will be the opportunity to visit a dance club with Kathleen, where you can experience the African rhythms of kizomba dancing.

DAY 9 - Visit botanical gardens and iconic walk to crater rim

Today we drive up to the botanical gardens of Bom Sucesso. At over 3500 feet, the garden is home to over 400 local plants and endemic orchids, but before visiting we will first hike up to the ancient dried-up crater lake of Lagoa Amelia. This classic walk takes us up some 1200 ft through agricultural land to the

primary forest of the Obo National Park. During our 4 hour guided walk, our guide will help us spot some of the local birds, including the Paradise Flycatcher, endemic weavers and sunbirds, and the Sao Tome oriole. From the overgrown crater rim, there is the option to make a short steep descent into the swampy crater, rimmed by the world's biggest begonias. Back down at the Botanical Gardens, we will enjoy a picnic lunch followed by a guided tour of the Gardens, learning more about the diversity and many medicinal uses of San Tomean trees and plants. Budgeting and packing

Optional activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Sao Tome - Visit Claudio Corrilho chocolate factory, approx €4

Mucumbli bike hire €5 per person, plus Local guide €15 (to be shared amongst cyclist)

Clothing

Clothing should be lightweight and ideally cotton all year round. Shorts and T-shirts are acceptable everywhere, although take long trousers/skirts for evening wear. Don't forget your swimming costume.

Footwear

Lightweight ankle-high walking boots are recommended for the walks, whilst shoes or trainers are ideal for exploring the islands. Sandals for relaxing and beachwear. Sea urchins can give a nasty sting, and so closed sea-shoes or plastic sandals are recommended for when you take a dip in the sea

Luggage

20kg

Equipment

Take a small torch, water bottle, sunglasses, sunhat, suncream, insect repellent, binoculars if planning to birdwatch and a beach towel. Bring a lightweight rainjacket just in case. You may find walking poles useful on the uneven terrain during the walks.

Tipping

Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. However, you might want to recognise a leader that's done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It's a tricky one, and down to personal preference, but we'd recommend between £15 to £20 per person per week as a guideline.

Local crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, your leader may organise a group's tips kitty for included activities and meals and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow €35.00 per person for group tipping.

International Departure Taxes

Airport departure tax is approximately US\$24 or €20. This is now incorporated into flight tickets issued after 21 Nov 2016.
