## DAY 3 - Ride inland to Busetto Palizzolo

Leaving the bustling seaside towns behind cycle inland, gradually ascending via a succession of pastures and fields of wheat. For the first part of the ride when leaving Marsala there will inevitably be more traffic and there are some up hill sections. Once away from the coast this sparsely populated, vast expanse of beautiful nature dotted with crumbling, old farm houses is a joy to the eye and a pallet of contrasting colours that change with every season. Spring is ripe with the lush green wheat that turns bronze yellow in summer then ochre and brown as the fields are ploughed. For the next two nights you stay in a small family-run organic farm or agriturismo, located just outside Bruca, serving wonderful home grown and locally sourced Sicilian specialties prepared by 'mamma'.

Total cycling distance today is approximately 52 kilometres (Total 620 metres ascent and 300 metres descent).

#### **DAY 4 - Ride to Segesta Greek Temple**

Start the day with a short and easy ride through the rolling hills to the imposing archaeological site of Segesta - an ancient 'Elimian' town. You may start to wonder if you are hallucinating as you see perched on top of a hill overlooking a deep canyon, an unusually well-preserved (though unfinished) Doric temple built sometime in the late 5th century BC. A pleasant walk up the hill past a series of buildings dating back to various periods takes you to the ancient Greek theatre carved into a natural rock hollow. In the afternoon you may wish to continue by bike to some public hot springs. Alternatively you may choose to return directly to the accommodation and relax by the pool in which case you will have cycled a total of 16 km (total 180 metres ascent/descent). After relaxing your muscles in the warm waters, return to the hotel by the same route.

Total cycling distance today is approximately 34 kilometres (Total 330 metres ascent/descent)

This was also an important religious site and a famous temple dedicated to Aphrodite (Venus in Roman times) allegedly stood here. After stopping for lunch in Trapani, spend the afternoon enjoying a stroll and people watching along the pedestrianised historic centre. Later this afternoon you may like to take the cable car from Trapani up to Erice.

### Budgeting and packing

#### Clothing

When cycling: quick drying cycle tops, padded cycle shorts, lightweight wind and water proof jacket and warmer breathable layers where local conditions require.

General: Pack layers of clothes essentially for mild or hot weather depending on the time of the year, but remember a warm fleece if travelling at the start or end of the season as the weather can be changeable.

#### Footwear

If you are not bringing cycle shoes then try to bring stiff-soled shoes as these are better for cycling - transmitting your energy into the pedals more efficiently. This becomes more relevant and recommended

the more demanding the grade and distances to cover. SPD cycle shoes are not well suited to trips that combine sightseeing with cycling.

Comfortable shoes, trainers, sandals or flip flops are useful when not on the bike.

## Luggage

20kg

### Luggage: On tour

We recommend you bring a daypack and one main piece of luggage (total allowance: 44lb/20kg) which will be transported between hotels while you cycle. Check the bike details section to see if a pannier or handlebar bag is provided on the bike.

### Luggage transfer

Included between each hotel.

## Equipment

On all Explore cycle holidays we strongly recommend you bring along and wear your cycle helmet. In case of an accident resulting in personal injury, certain insurance policies are invalidated in cases where a helmet was not being worn. Cycle glasses to protect against dust, pollen and the sun, padded cycle gloves and a water bottle or water delivery system (e.g. camelback or platypus) are also useful. You may choose to bring your own gel seat cover for added comfort. If a handle bar bag or pannier is not provided (check bike details) then you may like to bring a small rucksack to wear while cycling. Other items to consider bringing are a sunhat and sun cream, torch, earplugs and insect repellent. Please carry some or all of your cycling equipment e.g. helmet as part of your hand luggage. GPX files are available upon request so you can follow the route on your own GPS device, please arrange this before departure.
