Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Trip starts in Passau

Your holiday starts in the German town of Passau, close to the Austrian border. After checking in to your hotel and picking up your bicycle from the local bike shop, the rest of the day is free to explore this pretty university town. Known as the 'City of Three Rivers', it is here that the Danube is joined by the Ilz and the Inn. We recommend a visit to St. Steven's Cathedral in the Old Town. This Baroque building is home to Europe's largest organ, with an impressive 17000 pipes. If you are lucky, you may time your visit with a lunchtime or evening concert. We also recommend walking up to Veste Oberhaus - the ancient fortress that dominates the city from the hilltop. Now a museum of history and folklore, spectacular panoramic views are afforded from the tower. Your bike will be delivered today or tomorrow morning and you will be required to sign an agreement of care upon receipt of the bike.

ACCOMMODATION:
Dormero Hotel (or similar)

Grade: Comfortable Hotel

DAY 2 - Bike to Schlogen; View the impressive 'Schlogen Bend'

This morning, there is time to explore more of Passau before jumping into the saddle to commence your journey to Schlogen. Cycling alongside the picturesque Danube, it is easy to see how this trail gained its reputation as one of Europe's most famous cycle paths. You cross the river by ferry from Engelhartzell to Uferhausl (ticket paid locally and not included in package) and from here cycle following the river up to Au, on the opposite bank to Schlogen. From here take the ferry across the river (ticket included). On arrival in Schlogen, a 30-minute walk will lead you to an impressive panoramic viewpoint over a bend in the Danube, where it alters course by almost 180 degrees.

Your total cycling distance today is approximately 42 kilometres (120 metres ascent, 140 metres descent).

ACCOMMODATION:

Hotel Freizeitanlage Schlogen (or similar)

Grade: Comfortable Hotel

DAY 3 - Cycle to Linz; Enjoy a dip in a lake

A 20 kilometre ride along the shady riverbank takes you to the village of Auscach. Here, you may choose to visit the Fischermuseum, with its interesting exhibition on the Danube's historic fishing trade. Further along your route, there is the opportunity to swim in a couple of the picture-perfect lakes that you pass, so make sure you pack your swimming gear for this. Today's journey takes us to Linz. Although this is the second largest industrial town in Austria, it has a pretty city centre. We recommend a visit to the Neuer Dom - the largest cathedral in Austria which was only completed in 1924. Alternatively, you may choose to relax in the Hauptplatz, sampling the famous Linzertorte - the oldest known cake in the world. As you explore the town, look out for the house where Mozart composed his Symphony No. 36, otherwise known as the Linz Symphony.

Your total cycling distance today is approximately 51 kilometres (130 metres ascent, 156 metres descent).

ACCOMMODATION:

Hotel Prielmayerhof (or similar)

Grade: Comfortable Hotel

SINGLE ROOM AVAILABLE

MEALS PROVIDED: BREAKFAST

DAY 4 - Bike to Perg via the Mauthausen Memorial

Leaving Linz through the park along the Danube, you will continue your journey along the river. 18 kilometres into your route, you may choose to take a 10 kilometre detour to the Abbey of St. Florian (entrance ticket included) - an impressive example of Baroque architecture and art. After crossing the river by ferry (May to August) from Enns to Mauthausen (ferry ticket included), another option is to visit the sobering Mauthausen Memorial. Here you will find a well-presented visitor centre which details the atrocities that took place at this concentration camp. As one of the first Nazi 'death camps', conditions here were at the harshest end of the spectrum and survival was not expected. Your base for tonight is Perg - a small town near the river.

Your total cycling distance today is approximately 40 kilometres (114 metres ascent, 139 metres descent) plus options to do an extra 4 kilometres to Enns, 6 kilometres to Mauthausen or 12 kilometres to St. Florian.

ACCOMMODATION:

Gasthof Manner (or similar)

Grade: Comfortable Guesthouse

DAY 5 - Cycle to Marbach; Admire its UNESCO-listed abbey

We start today's ride through the Strudengau region and after a short while reach Grein, a quiet village on the river where we recommend a visit to Schloss Greinburg - a castle with stunning panoramic views, which also hosts an interesting navigation museum. From Grein you catch the ferry across to Uberfuhr (ferry ticket paid locally and not included in package). The next village you encounter along today's route is Ybbs. Just before the village you can choose between cycling across the river dam bridge and going directly onto Marbach where you will spend the night, or first cycling into Ybbs to visit the quirky bicycle museum where you can admire (and try out) many types of two-wheeled transport.

Your total cycling distance today is approximately 64 kilometres (113 metres ascent, 149 metres descent).

DAY 6 - Discover Austria's famous wine region

Further along the peaceful banks of the Danube the first place on today's ride is Melk, with its UNESCO-listed Baroque abbey - one of the largest in Europe. Benedictine monks have been living here since 1089. We also recommend visiting the abbey garden and the impressive library. Today, you cycle through the Wachau Valley, well-known for its picturesque rolling hills. This is the most famous wine region in Austria and, as you ride through the villages on your route, don't miss the chance stop off and sample some locally-produced vintages. Before your arrival at your night stop in Krems, you may choose to spend some time in glorious Durstein. This little town is a tourist haven, due to its picturesque setting and traditional architecture. The 12th century English king, Richard The Lionheart, was held prisoner here at Kuenringer Castle, the ruins of which still overlook the town.

Your total cycling distance today is approximately 54 kilometres (215 metres ascent, 220 metres descent).

ACCOMMODATION:
Hotel Klinghuber (or similar)

Grade: Comfortable Hotel

SINGLE ROOM AVAILABLE

MEALS PROVIDED: BREAKFAST

DAY 7 - Cycle to Greifenstein; train to Vienna

Cycling today will lead you along the Danube to the historic city of Tulln, founded by the Romans. Your ride continues to Greifenstein, a suburb of Vienna where we may like to visit the castle. You continue the journey to Vienna by train (taking your bike with you). Your luggage will be delivered to the hotel in Vienna. The train leaves you at Westbahnhof station and from here you may choose to use public transport to head directly into town and explore. Vienna is packed full of fantastic sights and architecture. After your week of cycling, we think you definitely deserve a slice of chocolaty Sacher Torte, maybe even at the famous Hotel Sacher. Claiming to be the sole custodian of the original 19th century recipe, the hotel ensures that its formula remains a well-kept secret.

Your total cycling distance today is approximately 61 kilometres (99 metres ascent, 114 metres descent).

The city of Vienna remains a testament to the once immensely rich and powerful Habsburg dynasty and its architectural treasures are many, with impressive statues and public buildings at every turn, interspersed with tasteful gardens. You may choose just to spend a few hours walking around, soaking up the atmosphere, or you might take in a couple of the wonderful museums, or perhaps visit the world-renowned Schloss Schonbrunn, the enormous summer palace of the Habsburgs. Whichever you choose, Vienna will certainly provide a wonderful break from the saddle.

Pass the Schonau and Orth castles then cycle on to the Habsburg Castle in Eckartsau. We recommend a detour to castle Hof, a magnificent castle which was built at the behest of the Austrian empress Maria Theresia; its impressive park and the gorgeous architectural monuments are definitely worth a visit. Clothing

Bring cycling gear such as quick drying cycle tops, padded cycle shorts and cycle gloves. The weather is changeable in this part of Europe so bring a mix of breathable light layers and warmer clothes. A waterproof cycle jacket is recommended in case of rain. A light windproof jacket is always useful.

Footwear

If you are not bringing cycle shoes then try to bring stiff-soled shoes as these are better for cycling - transmitting your energy into the pedals more efficiently. This becomes more relevant and recommended the more demanding the grade and distances to cover. SPD cycle shoes are not well suited to tours that combine sightseeing with cycling.

Comfortable shoes, trainers, sandals or flip flops are useful when not on the bike.

Luggage: On tour

Bring one main piece of baggage as per your airline luggage allowance, maximum 20 kg per person. Remember you are expected to carry your own luggage during transfers by public transport so don't overload yourself. Luggage transfers between hotels are normally arranged by the hoteliers. Mark your bags clearly and leave them at the place and time arranged with them. When travelling on public transport you should always take your luggage with you.

Luggage transfer

Included between each hotel.

Equipment

On all Explore cycle holidays we strongly recommend you bring along and wear your cycle helmet. In case of an accident resulting in personal injury, certain insurance policies are invalidated in cases where a helmet was not being worn. Cycle glasses to protect against dust, pollen and the sun, padded cycle gloves and a water bottle or water delivery system (e.g. camelback or platypus) are also useful. You may choose to bring your own gel seat cover for added comfort. Other items to consider bringing are a sunhat and sun cream, torch, earplugs and insect repellent. Please carry some or all of your cycling equipment e.g. helmet as part of your hand luggage.
