## Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

### DAY 1 - Holiday starts in Konstanz

You start your holiday in Konstanz (Constance) - Lake Constance's biggest city on the lake and located in Germany. Some 600 years ago this was where the Council of Constance took place, the only council to elect a pope that was held north of the Alps. The Rhine leaves Lake Constance here on its way to the North Sea. Only a few minutes by foot from the medieval town centre is the Swiss town of Kreuzlingen with its lively harbour. Depending on availability you may be staying in Kreuzlingen instead.

Your bike will be delivered either today or tomorrow morning and you will be required to sign an agreement of care upon receipt of the bike.

Public transport and taxis are easily organised from Zurich Airport (ZRH).

**ACCOMMODATION:**  
Hotel Volapuk (or similar)

**Grade: Comfortable Hotel**

**SINGLE ROOM AVAILABLE**

**MEALS PROVIDED: NONE**

## DAY 2 - Cycle from Konstanz to Stein am Rhein in Switzerland via Radolfzell

Today's ride takes a route around the German northern shores of the Untersee (Lower Lake) that connects to the Rhine. The town of Radolfzell grew around a monastery founded in 826 AD as a 'cell' under Bishop Radolf of Verona. The town belonged to the Abbey of Reichenau, then subsequently to the house of Habsburg becoming a Free Imperial City for 40 years. Worth visiting is the 15th century gothic Cathedral of our Dear Lady, decorated in baroque style in the 18th. Continue along the Hori peninsula, where Hermann Hesse once lived you cross the 'green border' into the Swiss town of Stein am Rhein, which has a very picturesque old town.

Your total cycling distance today is approximately 45 kilometres (100 metres total ascent).

ACCOMMODATION:  
Hotel Roseberg (or similar)

Grade: Comfortable Hotel

SINGLE ROOM AVAILABLE

MEALS PROVIDED: BREAKFAST

---

## DAY 3 - Ride from Stein am Rhein via Konstanz to Überlingen in Germany

This morning you continue cycling around the Untersee, as you ride back towards Konstanz on the southern shores through picturesque Swiss fishing villages. Once back in Germany you ride north through Konstanz to Wallhausen where a short boat crossing with your bike takes you to Überlingen. The route then continues to the former imperial town of Überlingen with its gothic minster and beautiful esplanade.

Your total cycling distance today is approximately 44 kilometres (185 metres total ascent).

ACCOMMODATION:  
Hotel Wiestor (or similar)

Grade: Comfortable Hotel

SINGLE ROOM AVAILABLE

MEALS PROVIDED: BREAKFAST

---

#### DAY 4 - Ride Überlingen to Kressbronn

Continuing along the lakeside, take your time to explore Meersburg an unspoiled baroque town with the oldest inhabited castle in Germany. The terrace of the New Castle as well as the fortress offer the most unimpeded outlook over the lake and the impressive alpine range on clear days. Continue through vineyards to Friedrichshafen and stop for a rest at one of the cafes on the bustling promenade, one of the longest and most beautiful on Lake Constance. You end the ride meandering through orchards to Kressbronn. According to hotel availability at time of booking you may need to cycle one kilometre further to spend the night in nearby Nonnenhorn.

Your total cycling distance today is approximately 50 kilometres (85 metres total ascent).

ACCOMMODATION:

Landgasthof Dorfkrug (or similar)

Grade: Comfortable Hotel

SINGLE ROOM AVAILABLE

MEALS PROVIDED: BREAKFAST

---

#### DAY 5 - Cycle from Kressbronn through Austria to Höchst

Today's first highlight is the charming Castle Montfort in Langenargen, built in a Moorish style. Adjacent to the castle is Germany's first suspension bridge, the Argenbrücke. Next, you will be cycling through orchards until you reach the Bavarian town of Lindau - a must-do is to visit the city centre on the island, full of medieval and half-timbered buildings. From here is a short ride to the Austrian border and the festival town of Bregenz, where you should visit the floating stage, go for a swim in the lake and visit the well preserved upper town. Once you arrive in Hard, you cross the Rhine, which flows in from the Swiss Alps. The estuary is an important nature reserve. Your final destination for the day is Höchst in Austria. According to hotel availability at time of booking you may spend the night in Rorschach just across the border, in Switzerland.

Your total cycling distance today is approximately 35 kilometres (50 metres total ascent) if staying in Höchst or 50 kilometres if staying in Rorschach.

ACCOMMODATION:  
Hotel Krenn (or similar)

Grade: Comfortable Hotel

SINGLE ROOM AVAILABLE

MEALS PROVIDED: BREAKFAST

---

### DAY 6 - Ride from Höchst through 'cider India' back to Konstanz

The last ride is devoted to the Canton of Thurgau which is endearingly known as 'Mostindien' (Cider India) because of its huge apple orchards and slightly remote location, at least from the Swiss perspective. The route takes you along the banks of the lake to the old St. Gallen harbour town of Rorschach with its stately public buildings and unmissable Kornhaus (granary) built in 1749. Bathing in the lake here is also very popular. Continue riding through several small villages back to Konstanz.

Your total cycling distance today is approximately 40 kilometres (75 metres total ascent) if starting from Rorschach or 55 kilometres if starting from Hochst.

ACCOMMODATION:  
Hotel Volapuk (or similar)

Grade: Comfortable Hotel

SINGLE ROOM AVAILABLE

MEALS PROVIDED: BREAKFAST

### DAY 7 - Holiday ends in Konstanz

After breakfast, the organised part of your holiday comes to an end.

### Budgeting and packing

#### Optional activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated

costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

Day 1 or Day 7 - Depending on flight times it is worth taking time to visit the cathedral of Muenster Unserer.

Day 2 - Visit the old museum of Kloster Sankt Georgen set in an old Benedictine Abbey.

Day 4 - After exploring Meersburg castle, if time perhaps stop off at the adjacent Zeppelin museum which has a large collection of exhibits.

This trip also provides fantastic photo opportunities throughout with the stunning lake and mountain views and the historic architecture.

## **Clothing**

Bring cycling gear such as quick drying cycle tops, padded cycle shorts and cycle gloves. The weather can be changeable so we recommend to bring layers of clothing to give you flexibility to add or remove a layer depending on the weather. Also bring a jacket/fleece and warmer clothing for the start and end of the season. A waterproof cycle jacket is recommended in case of rain. A light windproof jacket is always useful.

## **Footwear**

If you are not bringing cycle shoes then try to bring stiff-soled shoes as these are better for cycling - transmitting your energy into the pedals more efficiently. This becomes more relevant and recommended the more demanding the grade and distances to cover. SPD cycle shoes are not well suited to tours that combine sightseeing with cycling.

Comfortable shoes, trainers, sandals or flip flops are useful when not on the bike.

## **Luggage: On tour**

Bring one main piece of baggage as per your airline luggage allowance, maximum 20 kg per person. Remember you are expected to carry your own luggage if using public transport so don't overload yourself. Luggage transfers between hotels are normally arranged by the hoteliers. Mark your bags clearly and leave them at the place and time arranged with them. When travelling on public transport you should always take your luggage with you.

## **Luggage transfer**

Included between each hotel.

## **Equipment**

On all Explore cycle holidays we strongly recommend you bring along and wear your cycle helmet. In case of an accident resulting in personal injury, certain insurance policies are invalidated in cases where a helmet was not being worn.

Cycle glasses to protect against dust, pollen and the sun, padded cycle gloves and a water bottle or water delivery system (e.g. camelback or platypus) are also useful. You may choose to bring your own gel seat cover for added comfort. Other items to consider bringing are a sunhat and sun cream, torch, earplugs

and insect repellent. If a handle bar bag or pannier is not provided (check bike details below) then you may like to bring a small rucksack to wear while cycling. A lock, pump, spare inner tube and puncture repair kit with tyre levers is provided with the bike. Please carry some or all of your cycling equipment e.g. helmet as part of your hand luggage.

Maps - Along with the destination manual and route notes you will be sent a set of maps that have been created specifically for this trip to help you navigate. The route is marked on each map together with a series of numbered waypoints which correspond with instructions in the route notes. Should you wish to purchase a more detailed commercially produced map we recommend the following:-
