### **Climate and country information**

#### **Turkey**

##### **Climate**

Summers are hot and dry with refreshing sea breezes and clear waters, great for boat trips. It is often cooler on higher ground and in the mountains and can be cold at night, even in the summer. During the shoulder seasons (loosely speaking, before mid-May and after early October), temperatures and rainfall can be erratic, with some temperatures dropping to 8-12 degrees, and other days being bright and sunny up to 25 degrees. Mountain locations will be cooler than on the coast, of course. In the winter, temperatures usually hover between 0 and 10 degrees, but are usually wet, particularly around the coast. The best time for walking in Turkey is mid-May, June and September, with pleasant temperatures and clear blue skies.

## **Budgeting and packing**

### **Clothing**

Bring light and comfortable clothing that can be layered according to the temperature. It can become cool, especially at night, so bring warmer layers. Tops made from wicking materials which keep you drier, a warmer fleece is recommended as a mid layer, and walking trousers are preferable to trousers of heavier material such as jeans.

- Breathable wind and waterproof jacket
- T-shirts
- Long sleeved tops
- Sunhat
- Long trousers
- Shorts (if you prefer to walk in them)
- Swimwear and towel
- Midlayer Fleece/pullover
- Socks (liner and thicker pair)

### **Footwear**

We recommend you bring walking boots with ankle support- leather or fabric are both fine. Make sure that your boots are worn-in and comfortable before the start of the trip. Also trainers or sandals for relaxing and general wear.

We suggest that on international flights you either carry your walking boots in your hand luggage or wear them - should your luggage be lost or delayed, your own boots are the one thing that will be irreplaceable.

### **Luggage**

20kg

#### **Luggage: On tour**

Bring one main piece of baggage as per your airline luggage allowance, maximum 20 kg per person. Remember you may need to carry your luggage at times so don't overload yourself. Luggage transfers between hotels are normally arranged by the hoteliers. Mark your bags clearly and leave them at the place and time arranged with them.

#### **Luggage transfer**

Included between each hotel.

Camera

Walking poles (if you usually use them)
