## Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

### DAY 1 - Join trip in Valldemossa

Your walking holiday starts in Valldemossa, a pretty, small town built around an old 14th century Carthusian monastery, with cobbled streets in the centre and beautiful views down to the Mediterranean. Set in the Tramuntana Mountains the town is surrounded by forested hills and rolling countryside, and is a great base for exploring. The narrow streets are also home to cafés and bakeries offering local fare. Many artists have found inspiration here including the composer Chopin. Valldemossa is your base for the first two nights - Our preferred hotel of choice is a small, centrally located hotel.

Public transport options are available to get to Valldemossa. Alternatively, we are able to offer private transfers from Palma Airport (PMI). Please contact our self-guided team for further information.

**ACCOMMODATION:**

Es Petit Hotel de Valldemossa (or similar)

Grade: Comfortable Hotel

**MEALS PROVIDED: NONE**

### DAY 2 - Walk through local countryside on the 'Archduke's Trail'

Your first walk is a famous circular route known as the 'Archdukes Trail'. This was originally a mule path part designed by Archduke Ludwig Salvador of Austria, a keen botanist and geologist who owned the local estate in the 19th century. As you walk through the countryside this path offers some insight into rural life including lime kilns and charcoal stoves, as well as stunning coastal views.

Your walk today covers 15 kilometres over approximately five-and-a-half hours, with a total ascent and descent of +500m / -500m. If you wish it is possible to shorten or extend the walk, including the opportunity to climb Puig Es Teix (1064m).

ACCOMMODATION:

### **DAY 3 - Coastal trail to Port de Soller**

The picturesque coastal village of Deia village is a short taxi ride away (included). Today's walk starts at Deia village, Deia beach or Lluçacari bus stop depending on how far you wish to walk. Your destination is Port Soller, thought by many to be one of the most beautiful bays on the island. The trail follows the coastline through quiet Mediterranean woodland of pines, oaks and strawberry trees; and a private estate where in season fresh orange juice is often served. On arrival you can start to explore Port de Soller, your base for the next four nights - Our preferred hotel of choice is located close to the beach.

Today's walk covers 14 kilometres over approximately five and a half hours, with a total ascent and descent of +200m/ -440m.

ACCOMMODATION:  
Hotel Los Geranios (or similar)

#### DAY 4 - Descend from Lake Cuber to hill village of Biniaraix

The walk today is through the very heart of the Serra de Tramuntana. After a twenty minute taxi drive up to Cuber Lake (included) you will follow a wide path along the reservoir to Col de l'Ofre (885m). This is an excellent place to see birds of prey, such as black vultures which can often be seen overhead. From here it is possible to extend the walk to climb to the summit, Puig de l'Ofre (1095m) before a spectacular 800m descent through a narrow gorge down to the hill village of Biniaraix, famous for its orange groves. From here we take a taxi (also included) back to Port Soller. This walk is part of the pilgrimage route from Lluc Monastery and offers stunning scenery throughout the descent.

The walk from Lake Cuber to Biniaraix is 11 kilometres and takes approximately five hours. The total ascent and descent is +150m / -800m. It is possible to extend this by climbing Puig del'Ofre (1095m).

#### DAY 5 - Circular walk along cliffs and back to Port de Soller

This circular walk starts in the port and climbs steeply to the cliffs which form a natural breakwater overlooking the bay. From Torra Picada, a 17th century watchtower, there are great views along the rocky coastline to the tiny island of S'Illeta just off shore. A steep descent along a ravine takes you to 'Sa Punta Llarga', a headland which also gives great coastal views, before returning back to Port Soller.

Today's walk is 7 kilometres and takes approximately two and a half hours. Total ascent and descent is +200m / - 200m

ACCOMMODATION:

### DAY 6 - Cala Tuent to Soller

For your last walk you are taken by taxi to Cala Tuent, a small village with a lovely beach. From here you first follow the coastline, then hike inland through orange groves and olive orchards through one of the most remote valleys of Mallorca. On arriving to Soller there is the opportunity to explore the historic town. Built inland to try to avoid pirates, the town grew wealthy from olive and citrus fruit trade and today has a relaxing café culture. A vintage tram (not included) runs between Soller and Port Soller.

Today's walk covers 15 kilometres and takes approximately five and a half hours. The total ascent and descent is +550m / -700m.

#### Spain

##### Climate

Overall, spring, early summer and autumn are ideal times for a Spanish trip - though the weather varies enormously from region to region. The high central plains suffer from fierce extremes, stiflingly hot in summer, bitterly cold and swept by freezing winds in winter. The Atlantic coast, in contrast, has a tendency to damp and mist, and a relatively brief, humid summer. The Mediterranean south is warm virtually all year round. Spain's Islands the Canaries and Balaerics experience very mild winters and warm summers making them ideal year round destinations.

Luggage transfers between hotels are normally arranged by the hoteliers. Mark your bags clearly and leave them at the place and time arranged with them. When travelling on public transport you should always keep your luggage with you.

### Luggage transfer

Included between hotels.

## Equipment
