Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Join trip in Cape Town. Scale Table Mountain

Arrive in Cape Town. Hosting a stunning coastline, with the dramatic Table Mountain looming over the city and modern cityscape, Cape Town is one of Africa's most appealing cities and an ideal launch pad for our trip.

For those arriving on time today our Leader plans to meet you in the hotel reception at 1 pm for the welcome meeting and to take us on a guided walk to climb Table Mountain. The climb is spectacular not just for the views it affords, but also for the beautiful plant life of the Cape Floral Kingdom, which has more indigenous plant species per square metre than anywhere else in South Africa.

If you would like to receive a complimentary airport transfer today, you'll need to arrive into Cape Town International airport (airport code CPT), which is 20km, around 40 minutes from our hotel.

Please note that if you wish to join the table mountain walk today, you must arrive at the hotel by 1pm. If you are booking your own flights, we recommend giving yourself at least 1 hour to clear the airport. From the airport to the hotel is around 40 minutes' drive, so therefore the latest your flight can arrive is 11am. Should you miss the welcome meeting, your Leader will inform you of any essential information as soon as you catch up. Furthermore anyone arriving late on day one will also be able to ascend Table Mountain on one of the other days in Cape Town.

Note that weather conditions in Cape Town can be highly variable throughout the year. Should weather conditions prevail that are unsuitable for the ascent of Table Mountain, this excursion will be undertaken on an alternative day.

For those not wishing to walk, an aerial cableway runs frequently to and from the summit. Please note however the Table Mountain Cableway usually closes for general maintenance at the end of July, based on 2020 dates; the provisional closure is scheduled for Monday 20th July to Sunday 2nd August 2020. Although the cable car will not be running, Table Mountain is still be accessible by a hiking trail as described above.

DAY 2 - Catch the ferry to Robben Island. Free afternoon

Today we travel from the nearby Nelson Mandela Gateway at the Waterfront in Cape Town to take a tour of the world famous Robben Island museum, which includes a boat trip across Table Bay. The visit to the infamous maximum security prison provides us the opportunity to meet an ex-political prisoner sharing their experience of Robben Island. Please note, the ferry tickets and museum entrance tickets (both booked by Explore) need to be purchased around 4-6 weeks before departure and we cannot guarantee that they will be available for any late bookings.

Returning across the bay, arrive back at the hotel around 2pm. The rest of the afternoon is free to explore the city.

DAY 3 - Cape Town. Hout Bay boat trip and Cape Point. Visit a skateboard park.

We will make our way to Cape Point Visitors Park and take a walk up to a viewpoint to watch the turbulent clash of the warm Agulhas current from the Indian Ocean meeting the cold Benguela current from the Atlantic. We'll take an hour-long walk within the national park to Cape Point and the lighthouse, keeping an eye out for resident baboons, tortoises, otters and seabirds along the way. The trail is well marked, slightly rocky in places, and boasts diverse flora with many colourful flowers.

Moving onto Hout Bay, take a boat trip to see the remarkable bird and marine life of Seal Island - where approximately 7,000 Cape Fur Seals have made their home on low lying rocks.

The rest of the day is free to explore the city once we return to Cape Town. For those that want to, we can make a late afternoon visit to a skateboard park with the opportunity of meeting kids from the Cape area from a variety of backgrounds and share experiences with each other as we learn how to skateboard. For experienced skaters the park has a host of ramps, rails and half pipes.

DAY 4 - District Six Museum, Stony Point penguin colony and whale watching in Hermanus. Drive to Breede River

Drive to the District Six Museum. Although the Museum was initially started as a community space for ex-residents to gather and meet, it has now become a space that tells the story of District Six under apartheid to both local and foreign visitors to Cape Town and South Africa.

The museum has been designed in such a way that a visitor can wander in off the street and take a self-guided tour, but more importantly, our group will also make use of the privilege of taking a tour with an ex-resident of the district and listen to the amazing personnel experiences and recollections of an ex-resident.

Leaving Cape Town behind, we make a stop at Stony Point penguin colony just outside the quaint coastal town of Betty's Bay. The nature reserve is home to one of the largest breeding colonies of African Penguin in the world as well as hosting a wealth of endemic bird life. The reserve sits on the site of a

historic whaling station and has a quiet, undiscovered feel, offering excellent penguin viewing without the crowds. The boardwalks can be followed over the craggy outcrops to see the resident seabirds up close without disturbing them. Although humans are not allowed to wander beyond the boardwalks, it does not always stop the penguins joining the trail and setting a slow walking pace!

After a lunch break at Betty's Bay, continue our journey, making a stop at the small seaside resort of Hermanus, regarded as one of the premier spots for shore-based whale watching in the world. From the cliff top walks it is possible to observe whales no more than 50 or 100 metres away. (The whale watching season is between June and November).

Departing Hermanus late afternoon, it's a short drive to Swellendam. Leaving the main road to follow a gravel track to our river camp, where rustic, wooden a-frame huts line the banks of the Breede River. This accommodation offers a real break from reality and a chance to enjoy the surrounding nature. You can chat with the friendly team - many of which come from the nearby town - at the bar or around this evening's camp fire for an insight into their life on the Western Cape. This evening a traditional, bush-style dinner will be served before a campfire under the starry sky (weather-dependent).

Grade: Simple Lodge

MEALS PROVIDED: BREAKFAST AND DINNER

DAY 5 - Rafting along the Breede River

Spend the day in rafts along the scenic Breede River.

From its source up in the mountains above Ceres, the Breede River meanders for 300 km before it deposits its water into the mighty Indian Ocean. During its long journey to the coast, it provides life-giving water to one of South Africa's most beautiful regions. This river also boasts amazing bird life and ample fishing.

The winding channels and playful rapids make it the ideal river-rafting destination for families. This ultimate river adventure offers exciting grade 2 and 3 rapids. No experience is necessary and briefings will be given by our local guides. The rest of the day is free to find a relaxing spot along the riverbank to enjoy the peace and quiet at our river side base.

ACCOMMODATION:
Up the Creek Camp (or similar)

Grade: Simple Lodge

MEALS PROVIDED: BREAKFAST, LUNCH AND DINNER

DAY 6 - Visit Oudtshoorn, the ostrich capital of South Africa and explore the deep caverns of the Cango Caves

Drive to Oudtshoorn, the ostrich capital of South Africa! The arid landscape that borders the Little Karoo is a desolate and yet magnificent area of semi desert.

After checking into our accommodation around lunch time, we set out to explore the finest dripstone caverns in the world - the Cango Caves. Situated in the foothills of the Swartberg Mountains, these limestone caves extend more than 5 kms underground through a series of large caverns connected by passages. We hike into the most spectacular caverns - a truly surreal experience.

We then have a tour of the Safari ostrich and butterfly farm, north of Oudtshoorn as well as the Zeekoegat School which showcases the process of building a new school. Each individual will get the opportunity to sponsor a 'brick' towards the building of the new Zeekoegat Primary School. Depending on timings and weather, we may have to visit the caves, school and ostrich farm the following day.

DAY 7 - Drive the Garden Route from Knysna to Plettenberg Bay. Sea kayaking along the coast at Central Beach

Making our way eastwards, travel along the Garden Route to Knysna and Plettenberg Bay.

This afternoon try our hand at sea kayaking along the coastline from Central Beach. Explore the magic of our unique coastline with its abundant marine life up close and personal in one of our stable kayaks in the company of an experienced guide. Glide across sparkling water while enjoying a view of the majestic Tsitsikamma Mountains, Robberg Nature Reserve and marine life.

After a thorough briefing on kayaking techniques and safety we paddle from Central Beach with possible sightings of Cape Fur Seals, Bottlenose and Humpback Dolphins and a variety of sea birds. No experience is necessary although you will need to be able to swim. A sun hat and sunscreen and a change of clothes for afterwards is advisable.

Today has been left free to choose from boat based dolphin and whale watching, to snorkelling, scuba diving, sailing, kayaking, surfing, mountain biking and canoeing (some of these activities do have age restrictions). In season (June to November, sometime into December too) the whale watching is especially recommended, as this shoreline offers the chance to watch a truly great mammal, the southern right whale. The dunes and escarpments offer panoramic views of the coast and you have a good chance of seeing seals, dolphins and whales, plus a wealth of bird and botanical life.

DAY 9 - Discover Robberg Nature Reserve. Treehouse accommodation in the tree canopy

This morning we'll take a short drive to Robberg Nature Reserve where our local leader will lead a walk along the trails. The hiking here is moderate, it's uneven under foot in places and can be slippery so good walking shoes are advised, but rewards are abundant: brilliant bird viewing, sweeping coastal views and the possibility to spot dolphins and seals playing in the waters below. From July to December, there's also the chance to see southern right whales that come into the calmer and warmer waters to calve and nurse their young.

It's a two hour drive to our accommodation at Treetops. We'll be staying in the Storms River region where there are numerous well-marked walking trails for varying abilities, as well as the opportunity to explore suspended canopy walkways and zipwires, or to try river kayaking.

Teniqua Treetops is a unique eco-tented tree house occupying a position high on the foothills of the ancient Outeniqua mountain range. The tree houses offer a unique opportunity to sleep, eat and shower up in the canopy of the forest, all surrounded by birdsong and butterflies. Built on hand crafted platforms and situated in carefully chosen beauty spots, the accommodation boasts comfortable tented bedrooms, fully equipped kitchens and leafy bathrooms. Experience a true environmentally friendly accommodation experience.

The morning is left free. Around midday, we take a short drive to Tsitsikamma National Park 'the place of much water', South Africa's most impressive marine and forest park, stretching for some 80 kms from the lagoon at Nature's Valley to the mouth of the Groot River.

The lush forest and sheer cliffs provide an ideal setting for short walking trails, the most popular of which takes you to the suspension bridge spanning the mouth of Storm's River: a quite spectacular sight, where the booming breakers of the Indian Ocean relentlessly pound rocky shores. The heartland of the park stretches some 5km to sea, protecting a wonderland of inter-tidal life, reef and deep-sea fish and where we can snorkel to discover the marine life. Dolphins frolic in the breakers, surfing and playing for the sheer joy of life, and the gentle giant of the ocean, the southern right whale visits here, coming inshore to breed.

Tipping

Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. However, you might want to recognise a leader that's done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It's a tricky one, and down to personal preference, but we'd recommend between £15 to £20 per person per week as a guideline.

Local crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, your leader may organise a group's tips kitty for included activities and meals and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow £20.00 per family member for group tipping.

For all non-included services and meals on your trip please tip independently at your discretion.

South Africa

Food and drink

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

Accommodation notes

The accommodation 30 minutes outside of Swellendam is rustic, but for many a real highlight of the trip. The A frame cabins themselves are basic, however its more than made up by the setting, right on the Breede River. There is plenty of outdoor space with a family play area, dining room and bar. The games room has a pool and table tennis table with plenty of room to play sports with the staff and other families, ideal for older children. Some cabins have private open air shower rooms attached, others have shared bathroom facilities. All have mosquito nets. The food is simple but homemade, wholesome and delicious, served in a buffet style format. A perfect spot to enjoy getting away from everything, really friendly staff and big fire pit to sit around after dinner to enjoy a drink and socialize.

Our next stop is Oudtshoorn. Our locally owned and operated guesthouse offers en-suite accommodation with a TV and coffee and tea making facility. Wifi is available. The owners take great pride in their garden, there is a small treehouse with a seating area, a decent sized swimming pool, ideal for relaxing in after a busy day of activities and the accommodation offers a welcome and homely feel.

The Dunes resort complex in Plettenberg Bay, where we have two nights has two swimming pools and an excellent restaurant. Rooms are well decorated with a TV, en-suite tea and coffee making facility and safe. The setting is truly fantastic, it's a short walk through the sand dunes to the beach on Plettenberg Bay with endless white sand to enjoy. This is a good location to get any laundry done as its a two night stop mid way through the trip.

One of the highlights of the trip is the Teniqua Treetops in Sedgefield with individual treehouses scattered around the complex which are built into the trees and consequently offers wonderful views of the surrounding area that can be taken from the balcony. Each treehouse varies in design but generally they will have a living room, kitchen and a sleeping area. The main area of the complex has a large living area with lots of games, restaurant and a pool and table tennis table. There is also a hot tub and swimming pool.

We move onto the Tsitsikama Coastal National Park where we sleep in cabins (not ensuite - communal shower blocks are available). The cabins are all together with a separate restaurant close by and there are amazing walks that can be taken in the area.

Our final accommodation is in Addo National Park where we sleep in family cabins. Meals maybe served during the game drives and served by the ranger.

Family swimming

We have pools at the hotels in Plettenberg Bay, Calitzdorp and Cape Town as well as at several points along the coast on this tour
