Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Join trip in Johannesburg. Afternoon visit to Soweto township and the apartheid memorial

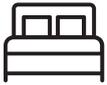

Arrive in Johannesburg, South Africa's largest city, and once home to both Nelson Mandela and Desmond Tutu. A city of stark contrasts and infamous history, Johannesburg is going through rapid change and urban regeneration.

For those arriving on time today our Leader plans to meet you in the hotel reception at 12pm for the welcome meeting and to take us on the afternoon Soweto tour. Soweto, originally an acronym for South Western Townships, played a prominent part in the fight against the former apartheid regime, notably the uprising of 1976; when mass protests erupted. We will take a tour of the area and meet residents to understand how life has changed since the end of apartheid. We will visit the Hector Pieterse Memorial, a museum that honours the vital role that the youth of South Africa played during the struggle. He was one of the first students to be killed during the uprising when he was just 13. We will also visit Nelson Mandela's former home (now a museum) which tells the story of Mandela and his family.

If you would like to receive a complimentary airport transfer today, you'll need to arrive into O.R. Tambo International Airport (JNB), which is just a short 10 minute drive from our hotel.

Please note that if you wish to join the Soweto tour today, you must arrive at the hotel by 12pm. If you are booking your own flights, we recommend giving yourself at least 90 minutes to clear the airport. From the airport to the hotel is around 10 minutes' drive, so therefore the latest your flight can arrive is 10.30am. Should you miss the welcome meeting, your Leader will inform you of any essential information as soon as you catch up.

Please note: A majority of flights will land into Johannesburg in the early morning and it's often too early to be able to check straight in to your room. However, early arrivals will have access to tea and coffee, toilets and the hotel lounge.

DAY 2 - Drive to Graskop via South Africa's Panoramic Route, taking in the stunning scenery of Blyde River Canyon

After breakfast we'll depart Johannesburg, travelling east towards Kruger National Park. The journey will take us through Mpumalanga affectionately named as the 'Place of the rising sun' and home to some of the country's most awe-inspiring scenery. This region's landscape has many rivers, waterfalls, dramatic escarpments and colourful birdlife, and along the way we'll stop at several excellent viewpoints, including beauty spot 'God's Window' to admire the vast views over Blyde River Canyon.

Graskop is perfectly positioned between the Panoramic Route and Kruger National Park ready for tomorrow's safari adventure. The journey from Johannesburg to Graskop is around five hours, with a stop for lunch and some time to take in the scenery at chosen viewpoints, we will arrive at our accommodation mid-late afternoon.

DAY 3 - Full day of safari searching for the Big Five in Kruger National Park

We'll have an early start this morning to make the most of our day on safari inside Kruger National Park. Kruger is one of the best game viewing areas in Southern Africa and as well as attracting many wildlife lovers, the park remains committed to its original purpose; animal conservation.

We'll be using the national park's open-sided game vehicles to maximise the viewing opportunity to 360 degrees, and the exact timings and routes of today's game-drive will depend on the wildlife! Expert rangers will track the animals and endeavour to provide us with once-in-a-lifetime encounters. During this exhilarating safari we hope to see buffalo, lion, cheetah, giraffe, elephant and zebra plus many more species. For lunch we'll make a stop at one of Kruger's restaurants or picnic stops before continuing on our safari this afternoon.

Tonight we'll be located inside the national park at one of the rest camps. The rooms and communal facilities are simple but do offer a great opportunity to spend a night in this wild setting, listening to the sounds of nature while our leader cooks up a traditional brai (barbequeue) that will be accompanied by some South African wine to wrap up a very adventurous day.

DAY 4 - Enter the Kingdom of Swaziland; afternoon game drive at Mkhaya Nature Reserve

This morning we will have an extra opportunity to spot game as we slowly make our way out of the national park, leaving Kruger and South Africa behind on our journey to the Kingdom of Swaziland.

The journey from Kruger to Mkhaya Game Reserve is around three hours, however with stops along the way and allowing time for the border crossing it will take the majority of our day, arriving at Mkhaya around mid-late afternoon.

Mkhaya is a haven for many endangered species but best known for its large numbers of black and white rhino; which we hope to see on this afternoon's game drive with our Swazi ranger.

Our accommodation for the night is Stone Camp set an area of secluded bush, featuring a collection of stone cottages that are the only lodging in the reserve. The cottages have bathrooms with hot and cold running water but there is no electricity available giving the experience a real sense of adventure. The camp is situated on a dry river bed and is surrounded by tall fig and sausage trees, which create a lush canopy, attracting many species of bird into the camp as well as some small game like warthogs and impala. Dinner tonight is a feast of local delicacies, such as nyala stew, and we'll dine outside around the campfire and under the stars.

MEALS PROVIDED: BREAKFAST AND DINNER

DAY 5 - Explore Mkhaya on a morning safari; Afternoon drive to Ithala Game Reserve

Waking early to the natural soundtrack of the reserve, there is always possibility of seeing warthog or nyala just outside your door this morning. The camp's friendly staff will deliver tea and biscuits to your room prior to an early departure for our next safari. Upon meeting the reserve's rangers this morning, it will be confirmed whether this morning game-viewing will be on foot or by vehicle and this decision is dependant on recent wildlife sightings and animal patterns. The guides here have expert knowledge about the reserve and the wildlife within, and with their advice Mkhaya offers the best possibility of a close encounter with black rhino in the whole of Africa.

After a morning adventure, we'll have a leisurely lunch in the reserve before departing around mid-afternoon. We'll cross back into South Africa on our way to Ithala Game Reserve, and the drive takes around five hours. As we approach, Ngotse Mountain will come into view as the predominant feature of Ithala, towering over the plateaus, ridges and deep valley below. Our home for the next two nights are a range of chalets camouflaged in the mountain's foothills among indigenous bush and flora. Communal areas are set among the wilderness offering peace, quiet and excellent views.

DAY 6 - Wake early for a walking safari in Ithala to search for rhino; afternoon game drives

A game walk is one of the best ways of seeing animals and immersing yourself into the wild. This morning we will meet a local ranger and together as we follow the rocky trails we will learn about tracks, dung and general bushcraft throughout the reserve. As well as increasing our understanding of the wilderness, our primary focus is once again to see rhino; these prehistoric-looking beasts were reintroduced to Ithala and have been successfully breeding here. The feeling of slowly walking towards a rhino is a mixture of excitement, awe and nerves; though we will heed our ranger's guidance and keep a safe distance.

After lunch we will wait for the heat of the day to subside before heading out on a late afternoon game drive. Again our ranger will decide on our route depending on the most recent wildlife sightings.

This evening, relax with a sundowner and keep an eye out for the birds of prey soaring through the skies above.

DAY 7 - Search for Africa's largest elephants the 'Big Tuskers' at Tembe Elephant Park

This morning we will drive for a couple of hours until we reach Tembe Elephant Park, our beautiful home for the next two nights. Tembe is renowned for its 'big tuskers' - elephants with huge tusks weighing some 50kg each - as well as being home to the 'Big Five', so we will hope to also see lion, leopard, black and white rhino and buffalo during our time here.

On arrival we'll get checked in before heading out on a game drive in the park's open-sided safari vehicles. Along the way there may be a stop at a waterhole where sightings often occur as the animals gather to cool off in the shallows.

Tembe Lodge is a luxurious tented camp fenced in the middle of the reserve, featuring a small pool, rustic seating area around the campfire and a game-viewing hide for wildlife spotting between safaris. The camp is run by members of the surrounding community, a tribe that has protected and lived in this area for generations and during our stay we will see the park through the eyes of the Tembe people, hear their stories and learn about their way of life.

DAY 8 - Game drives at Tembe, time to relax, swim or have a massage

Today we have a full day of the Tembe experience. After an early breakfast we head out on safari for a few hours with a national park guide to look for signs of big game and an opportunity to spot some of the 340 bird species found here. We return to a light brunch which will be followed by some down time to relax and enjoy the setting. Perhaps take a dip in the pool, visit the game-viewing hide for a chance to observe elephants or enjoy a massage at the outdoor (but shaded) spa area, it's a pretty easy life here!

Later this afternoon, we will return to our vehicles for another game drive along the sandy tracks in hope of spotting more wildlife before sundown.

Tonight dinner will be served by lamplight in the communal boma area for a true bush experience. After eating we can listen to the soulful singing of the local Isicathamiya group, as we sit around fire.

DAY 9 - Drive down the coast to St Lucia Wetland Park on the Indian Ocean

This morning we'll have a leisurely breakfast before we depart from Tembe to travel south towards St Lucia, a wetland reserve with World Heritage status.

The drive is around three hours and on arrival we'll check into our intimate Zulu-style lodge located centrally in St Lucia village. One of the first buildings in the area, the lodge has a long history and cares deeply about the local community, ensuring the lodge has a positive impact on both the residents and natural environment. The property features stylish rooms set in flower-filled, lush gardens, with an outdoor lounge area perfect for bird-watching and a pool to cool off. It's a great setting to relax for the final few days of the trip!

The rest of the day will be free to relax by the pool or read a book in one of the garden's shady spots. Alternatively, you may wish to go on an optional afternoon boat trip on the lakes for a chance to spot crocodile, hippo and a wide variety of bird life who make their home in the surrounding mangroves.

This evening you'll be able to choose from a small selection of places to eat nearby. Here in St Lucia it is common to see hippo roaming down the road by night or grazing on a resident's front lawn! They are accustomed to humans, the sounds of cars and lights but of course they are wild animals and precautions must be taken, so while being sure to follow local advice, we may get an unusual but memorable wildlife encounter!

DAY 10 - Explore the Indian Ocean from Cape Vidal; one of South Africa's best snorkelling spots and enjoy one last game drive!

It will be an early start this morning to make our way to Isimangaliso Wetland Park where we will start with a morning game drive through open grasslands and forests in the hope of spotting antelope, hippo, rhino and leopard.

The game drive will take us to Cape Vidal where we will spend the rest of the morning snorkelling in the crystal clear waters of this protected bay, before breaking for a traditional braai on the beach cooked up by our accompanying ranger. There will be more time for snorkelling before another game drive back through the park.

This area is a wildlife lover's dream location because of the five ecosystems within the boundaries of the park and the rarity of being able to spot game on the grassy plains before exploring an underwater world of tropical marine life from the white beaches of the Indian Ocean in the same region. It's estimated the park is home to over 6,500 species of plant and wildlife, plus over 500 bird species.

Tonight will be free to relax.

Today we say goodbye to St Lucia and travel down the coast towards Durban.

Along the way we will stop in the town of Mtunzini. Translating from Zulu as 'a place in the shade', the town is surrounded by lush milkwood and palm trees. We'll have a break here for a lunch and go on a short walk to see the nearby conservancy areas, home to a range of bird life as well as the very successful projects undertaken by the local residents to preserve this natural setting, including a initiative to rid the area of any alien plant and tree species.

We'll then continue to the Umhlanga Rocks area of Durban where we will spend our last night.

Tipping

Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. However, you might want to recognise a leader that's done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It's a tricky one, and down to personal preference, but we'd recommend between £15 to £20 per person per week as a guideline.

Local crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, your leader may organise a group's tips kitty for included activities and meals and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow £25.00 - £30.00 per person for group tipping.

For all non-included services and meals on your trip please tip independently at your discretion.
