Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Join trip in Dalyan

Our trip begins in Dalyan. Once a fishing village on the edge of the Dalyan River it's now grown into a small town that is known for its meandering reed bed waterways that lead to the beautiful golden sand Iztuzu Beach, and for the Lycian rock tombs that can be viewed in the cliffs above the town. The ancient city of Caunos is also only a short walk or boat ride away.

For those arriving on time our Leader plans to meet you in the hotel reception at 7pm for the welcome meeting and for those that wish, there is the chance to go out for dinner. There are no other activities planned today, so you are free to arrive in Dalyan at any time. If you would like to receive a complimentary airport transfer today, you'll need to arrive into Dalaman Airport (DLM), which is about 30 minutes' drive from Dalyan. Should you miss the welcome meeting, your Leader will inform you of any essential information as soon as you catch up.

DAY 2 - River boat to Caunos and Iztuzu Beach

This morning we'll get our first chance to try a traditional Turkish breakfast which usually consists of fresh cucumbers, tomatoes, olives and occasionally fruit. Along with a variety of yogurts, cheese and bread. We then take a small boat through the reed beds to the ancient ruins of Caunos, an important city circa 400 BC. Here, we can hike up to the higher points of the citadel from where there are fine panoramic views to the distant Aegean. We continue by boat to Iztuzu Beach, which is perhaps the best beach in all Turkey, for an afternoon of relaxation and the chance to visit the Turtle Conservation Centre (DEKAMER) before returning to Dalyan in the late afternoon. The conservation centre works to protect the turtle nesting areas on Iztuzu Beach, cares for and rehabilitates injured turtles and also attempts to educate the local fisherman on the importance of using propeller guards.

DAY 3 - Drive to Lake Bafa via historic Stratonikeia and Milas

Today we make our way north to our lakeside accommodation on the shores of beautiful Lake Bafa. En route we'll stop at Stratonikeia where there's time to enjoy a picnic lunch and explore the UNESCO World Heritage Site. Stratonikeia has been continually inhabited from the Bronze Age and was an important city in ancient Caria. At the site today you can see the gymnasium, bouleuterion, theatre and Augustus-Imperial Temple amongst other ruins.

We continue to Milas where we discover the old town area on foot as well as visiting the Jewish Cemetery and the Gumuskesen Monument, which is a large Roman tomb dating from the 2nd century AD. Later this afternoon we continue to the neighboring town of Euromos where we visit the Temple of Zeus. It's one of the best preserved classical designed temples in the country and dates back to the 6th century BC.

Following our visit we drive on to Lake Bafa, where we'll stay in lakeside chalet style accommodation set

amongst olive groves. You may like to enjoy a peaceful lakeside walk or swim before we have dinner here this evening. Lake Bafa was once connected to the Aegean Sea and a number of important harbor towns were set along this gulf. Now it's separated from the ocean and is part of a nature reserve which is home to over 220 bird species including fish eagles, pelicans and pigmy cormorants. You can also find 20 different types of orchid and in the lake itself there are many fish including eels, sea bass and sea bream. The surrounding Latmos Mountains are the habitat of wild cats, boar and badgers.

DAY 4 - Visit to ancient Didyma and Priene en route to Selcuk

We drive firstly to Didyma and visit the Temple of Apollo, which was an oracle held as important as the one at Delphi, in Greece. Today the massive scale of the fallen columns and the wealth of the intricate carvings bear testimony to the power of the ancient cult of Apollo. Slightly further down the coast we'll make a beach stop where there's the opportunity to swim, enjoy a picnic or relax in one of the beachside restaurants.

This afternoon we'll visit Priene, which is one of the smallest but most picturesque sites in the area. It's perched on a hillside overlooking the Menderes Valley and was once a thriving Ionian city. It's one of only a few that wasn't built over by the Romans, so archaeologists have been left with a vivid picture of the scale and layout of a typical city from the 4th century BC.

Following our visit we continue to Selcuk, which is home to a prominent Byzantine fortress, impressive mosque and remains of the huge Temple of Artemis, once considered to be one of the seven wonders of the ancient world, but sadly now totally destroyed. Every year from mid-March to mid-August white storks return to Selcuk to mate and their nests can be seen on the top of posts and pillars all around the town. On arrival this afternoon you may like to visit the Ephesus Archaeological Museum or the Basilica of Saint John.

After a busy day exploring you might like to try a popular local yoghurt drink called, ayran, it has an unusual salty and soured milk flavour.

DAY 5 - Visit to Ephesus and Birgi; overnight at a thermal spa hotel

We depart early from our hotel this morning to try and beat the crowds for our visit to the great Greco-Roman city of Ephesus, once visited by Mark Anthony and Cleopatra, and also by the evangelist Saint Paul, which was the inspiration for the tenth book of the New Testament, Epistle to the Ephesians. This famous old Asia Minor seaport reached its peak in the 2nd century AD and declined after the 7th century. It was one of the main cultural and economic centres and boasted an excellent gymnasium and a stadium with seating for 70,000 spectators. Other highlights include the Baths of Constantine, the brothel, the Temple of Hadrian with its beautiful facade, the theatre (a giant with 24,000 seats) and the odeon (a 2000 seat music and poetry centre), the Arcadian Way (where Cleopatra entered from the harbour) and the Marble Avenue featuring the 2-storey Library of Celsus, which is one of the most photographed Greco-Roman buildings in the world.

After free time back in Selcuk for lunch we drive to UNESCO listed historical town of Birgi. It was once an Ottoman regional capital and here we'll see the traditional stone houses and the impressive mosque. Later this afternoon we drive onto Salihli where we stay at a thermal spa hotel for the night. Here you may choose to take advantage of the hotel facilities which include an outdoor pool, thermal pool, Turkish bath, sauna and massage room. Situated on the edge of a hill you can take in the lovely views from the hotel terrace and restaurant.

DAY 6 - Drive via Sardes and Buldan to Pamukkale and Hierapolis

This morning we make the quick 10 minute journey to Sardes, a fascinating ancient site rarely featured on other tour operator's itineraries to the area. Here amongst the fascinating ruins you'll be able to see the restored gymnasium, synagogue and the old main road. Sardes was once the ancient capital of the kingdom of Lydia. The synagogue here is one of the most impressive ever excavated with over 80 Greek and seven Hebrew inscriptions found along with sections of a beautiful mosaic floor. The reconstructed gymnasium gives you a real feel for what these colossal ancient buildings would have looked like in their prime.

We drive on to the weaving and textile town of Buldan where there's free time for lunch and to explore. Buldan is famed for a type of thin cheesecloth fabric which is edged with lace and commonly used as bed spreads; they also produce a lot of hanger chiefs and curtains, as well as the 'kaplama', the brightly coloured traditional head dresses of the region.

This afternoon we reach one of Turkey's most amazing natural wonders, the 'frozen waterfall' of Pamukkale. Situated on a high escarpment, Pamukkale has been an attraction since Roman times. Stalactites of a bright white petrified waterfalls cascade from basin to basin. We visit the incredible travertine pools, where you can opt to swim and enjoy the views overlooking the Menderes Valley. Above the terraced pools you'll find the ancient spa town of Hierapolis where the ruins date back to 2nd century BC and the time of Eumenes II. Earthquakes have rocked the area throughout history and the site was finally abandoned in 1334 following a particularly strong quake. Here you can visit the theatre, Temple of Apollo, Frontinus Gate and see a number of sarcophagi as well as having the chance to go into the Archaeology Museum housed in the former Roman baths.

After our visit we'll drive to the nearby city of Denizli to check-in to our hotel. In the city there are a range of restaurants for you to choose from this evening.

DAY 7 - Visit the Greco-Roman site of Aphrodisias en route to Kayakoy

Today we depart for the very impressive Greco-Roman site of Aphrodisias, where the goddess of love once bestowed her sensual favours on her willing devotees. This site is in many ways as spectacular as Ephesus, but far quieter by comparison, and there's also an excellent museum on site that you may like to visit. The tetrapylon is a wonderfully ornate example of a huge gateway which would have once welcomed you into the main street leading to the Temple of Aphrodite. The well-preserved odeon and theatre are also well worth seeing, as is the Sebasteion, which is carved with reliefs depicted Aphrodite and her worshippers. The piece de resistance has to be the stadium which measures 270 metre long by 60 metres wide and would have held 30,000 spectators. On the seats you'll find carvings into the rock, which have been graffitied during the athletic events that took place here.

Following our visit we'll drive to Kayakoy; a peaceful farming community close to Fethiye and around 45 minutes' drive from Dalaman Airport. The hotel tonight is set a quiet rural area. On arrival we will take a walk around the deserted Greek village of Kayakoy. Dominating the mountainside that overlooks the village, Kayakoy has fallen into ruin since the exodus of the Greeks in 1923. Today its ghostly buildings cast a strange profile against the sky.

This evening we'll sample hearty Turkish food such as pide - it's like a type of pizza, slow cooked lamb or a barbecued meat selection in the hotel restaurant. Perhaps you'd also like to relax beside the outdoor swimming pool, have a drink in the terrace bar or to take a stroll in the garden.

Iztuzu Beach, situated near Dalyan, is a narrow strip of land which forms a natural barrier between the Mediterranean Sea and the delta of the Koycegiz River. It is one of the main breeding grounds in the Mediterranean for the loggerhead sea turtle and has been protected since 1988 by introducing a number of restrictions so that the nests and turtles are disturbed as little as possible. Some of the key restrictions are that building development at Iztuzu has been banned and an overnight curfew has been placed on the beach, as this is when the female turtles come ashore to lay their eggs.

On this trip we will have the chance to visit the Turtle Conservation Centre (DEKAMER). The conservation centre works to protect the turtle nesting areas on Iztuzu Beach, cares for and rehabilitates injured turtles and also attempts to educate the local fisherman on the importance of using propeller guards.

Why book this trip

In just one week you'll get to discover some of Turkey's best known historical sights

along with lesser visited but equally impressive ancient monuments. You'll also stay on the shores of Lake Bafa and in a thermal spa hotel and have time to relax and swim on the beautiful Turquoise Coast.
