Our accommodation today is an eco-friendly Mud House which is a unique property where accommodation is in a series of well designed huts - all have outdoor showers, indoor bathrooms, a dining and lounge area and hammocks where you can relax. There is no electricity on site thus lighting is provided by candles and lanterns. One trail identifies the different species of trees and plants along the pathway and looks in more depth at the overall concept and landscaping on the area. DAY 5 - In Giritale; explore the nearby countryside and villages

In the morning we use the most common and versatile mode of transport used by the villagers of nearby farming communities, a 'Land Master' (a two wheeled tractor with a trailer). We visit a nearby village to experience the day to day life of a typical rural Sri Lankan. This afternoon, we explore the ancient city of Polonnaruwa by bike (with the option to travel in our bus). The site has many interesting and spectacular buildings and monuments including the Royal Palace Group with its audience hall, bathing pool and quadrangle which is a very compact collection of ruins. Close by is the Circular Relic House, a curious round structure with a beautifully preserved 'moonstone' carved at the foot of a flight of steps. Another famous feature of the deserted city is the group of carved images of the Buddha known as Galvihara. Here there are four colossal figures, all of which are hewn out of solid granite. The Reclining Buddha is no less than 14m long!

ACCOMMODATION:
Giritale Hotel (or similar)

Grade: Standard Hotel

SWIMMING POOL AVAILABLE

DAY 6 - Drive to Sigiriya; visit Sky Fortress

We drive to Sigiriya for a morning climb up to the Sky Fortress. The ruins of this 5th century fortress are one of Sri Lanka's major attractions, a stupendous sight to behold and a feat of consummate engineering skill. A switchback series of steps (sometimes very steep) ascends to the top. Halfway up, tucked beneath a sheltering overhang of rock, are the famous frescoes - the Sigiriya Damsels, their colours still glowing. Magnificent views can be enjoyed from the summit of the rock palace (200m high). On our descent we board the bus for a short drive to Giritale. In the afternoon we visit nearby Minneriya or Kaudulla National park where we take a jeep safari on the look-out for wild elephants in their natural habitat.

ACCOMMODATION:

DAY 7 - Drive to Kandy via the botanical gardens at Peradeniya. Walking tour of lake side town of Kandy

Leaving Giritale in the morning we drive to Kandy via Peradeniya which is located just outside the city. We wander through the lush Royal Botanical Gardens which boasts more than 4000 species of plants, including orchids, medicinal plants and palm trees. Afterwards, we travel by rickshaws to the University complex before joining our tour leader for a walking tour of Kandy which will include visiting the town's narrow streets lined with old buildings and colourful and interesting markets. You may wish to continue shopping at the Kandyan Art Association's workshops, which has plenty of brassware, batik, lacquer work and other craft items which make excellent souvenirs or presents. The town was captured by the British in 1815, and is known more for its cultural and spiritual importance rather than its history. Buddhists from all over the world come to this delightful old highland town specifically to visit the Temple of the Tooth, the Dalada Maligawa.

DAY 9 - Visit Elephant sanctuary and game drive in Udawalawe National Park

We journey to the lowlands, offering fantastic views of the plains and the mountains above us, to Belihuloya which is a picturesque hamlet situated about 160km east of Colombo. The area experiences a specific climate linking the wet and dry zones with the hill country and the low country, all combining to make this an area of the country with a wide range of bio-diversity. We explore the surrounding villages on foot (a very easy walk), travelling through paddy fields and down to the nearby lake. On return to Belihuloya we may have time to bathe in the natural rock pool and have lunch. This is a unique place where the Belihuloya and Galagamaoya streams meet which creates a natural swimming area with clear unpolluted water. We leave in the early afternoon and drive to our camp on the Eastern border of the Udawalawe National Park stopping on the way to visit the orphaned elephants at the Elephant Transit Home.

Designated a national park in 1972, Udawalawe covers some 31,800 hectares and is surrounded by mountains, a mix of rolling grasslands, teak plantations, rainforest and scrub. Renowned for its large herd of elephants (this is in fact one of the best places in Sri Lanka to see them), the park is also home to deer, wild boar, buffalo, jackal and even the odd leopard. The resident bird population is also second to none, including a magnificent collection of birds of prey, chief amongst them being the impressive white bellied

sea eagle. This afternoon we will drive into the National Park to take a game drive by jeep. Whilst it cannot be guaranteed, we hope to see some of the animals which can be found here including, of course, elephants. We finish off the day with a relaxing BBQ and campfire under the stars.

We then proceed to Hikkaduwa where we stop for the night. In the evening we will visit a turtle hatchery in nearby Kosgoda to see the breeding process of the endangered sea turtles. It may be possible to even release some little baby turtles in to the sea. If you are lucky you might get a chance to see the mother turtles coming on to the beach to lay eggs later in the evening. Our hotel is located on the beach in Hikkaduwa, which is famous for it's marine sanctuary, and if we're lucky we may get to see turtles and other marine life just off the beach.

DAY 11 - Fly to the Maldives and join our Dhoni cruise boat

Today we leave Sri Lanka and drive back to Negombo for an early afternoon flight to the Maldives. Transferring to our traditional Dhoni boat, we will travel along the remote atolls of the Maldives for the next four days. After settling into the cabins, the crew goes through the safety brief before cruising for a few hours to Gulhi, an island in the South Male Atoll. Dinner is served on-board.

There are normally two Dhoni cruise boats that travel together on this tour with a capacity of up to ten per boat. The cabins are small and simple but adequate for sleeping and changing. In most of the cabins there will be bunk beds and so the person on the top will need to be prepared to climb up to their bed, many customers choose to enjoy the tranquillity of sleeping under the stars on deck for at least some of the nights. Facilities are shared, and each boat has 3 or 4 toilets and 2 or 3 showers on board. There are plugs available in each cabin with electricity available when the boats generator is running (when the boat is moving or the crew are cooking meals) so it is possible to charge cameras and phones during the tour.

There will be a minimum of 4 or 5 crew on board including the captain and cook - depending on the number of people on the boat. There is a bar and dining room with a sundeck to relax and sunbath throughout the day plus a TV and DVD player on board. Good quality snorkelling equipment including mask, snorkel, flippers and swim noodles are provided (we will ask for your shoe/flipper size before you travel). You are free to bring your own equipment should you wish. Other provided equipment includes fishing equipment, various board games, life jackets and a first aid kit. No scuba diving equipment will be carried on board.

All Dhonis that we use are fitted with diesel engines, which are used most of the time that we are travelling. Some of the boats still have sails but these are used very infrequently.

Every meal is included on the dhoni . Menus are likely to include freshly-caught fish each day, as well curries and pasta. Drinking water, tea and coffee are readily available, with alcoholic and soft drinks available for purchase on-board. US Dollars are accepted on the Dhoni and you can pay your bill for drinks at the end of your cruise in cash or by Credit Card.

ACCOMMODATION:
Aboard boat (or similar)

MEALS PROVIDED: BREAKFAST & DINNER

DAY 12 - Cruise to Kudhi Boli, tour of the island and snorkelling

The boat departs early in the morning to cruise for a few hours to Kudhi Boli with a traditional Maldivian breakfast being served on-board. Kudhi Boli literally means small shells and is famed for its very beautiful reef with a small strip of beach emerging with each low tide. We then take our first snorkelling lesson in the clear turquoise waters with the chance to view the marine life of the Maldives or you can sunbath and relax on the white sandy beaches of the island. The rest of the day is free to relax and enjoy with a

light lunch being served on board. We visit the Island of Fulidhoo this afternoon where we have a tour of the idyllic island. Dinner is served on-board and we are entertained tonight by locals who perform on the famous Boduberu (traditional big drums).

ACCOMMODATION:
Aboard boat (or similar)

Grade: Simple Boat

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 13 - Cruise to Rihiveli, cooking lesson and beach BBQ

After breakfast we cruise to Rihiveli with the chance to prepare a traditional Maldivian dish taught by the boat cook. Further snorkelling opportunities are available throughout the day over the beautiful coral reefs and we also have time on the beach. Lunch is on-board our boat with further time in the afternoon for more snorkelling, swimming, fishing or to become acquainted with some local board games. During the course of our Maldives cruise we have on occasions arranged a football match with local kids from the islands. The day will end with a wonderful beach barbecue if weather permits.

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 14 - Cruise to Hullhu Male with visits to Male's markets

After breakfast will set sail for the South Male Atoll for a morning of snorkelling at Turtle Reef, near Rihiveli Boduveli. We have one final snorkelling opportunity at the Laguna sand bank (around 45 minutes away) with lunch served on board.

Late afternoon we return to the capital, Male for city tour of this thriving city with its mix of lively markets, old harbour and ornate architecture. We start with a tour of the Hukuru Miskiiy also known as the Friday Mosque, with its beautiful architecture and magnificent golden dome. The mosque can hold up to 5,000 worshippers and dominates the skyline of Male.

Our next stop is the fish market (via the Presidential Palace). The fish market is one the most exciting places to visit in Male, bursting into life in the afternoon when dhoni's or the local fishing boat start

arriving with their catch.

A little further to west of the fish market is the aptly names Local Market, consisting of a series of stalls that stocks the producer of islands from all over the Maldives, we have time to do some shopping for souvenirs before heading back to our boat.

This evening we will have a special farewell Maldivian dinner prepared for you by our chef, anchored at Hulhu Male Lagoon.

Maldives

Climate

Day time temperatures are remarkably consistent throughout the year ranging from 30°C to 32°C dropping to between 25°C and 26°C at night. Although rain is heaviest in June, July and August, heavy rain can fall at any time of year - even in February and March when statistically only 50mm usually falls during those months combined. The south-west monsoon lasts from May to November and not only brings the rains but also stronger winds and storms, although the transitional periods of early May and late November are supposed to be calm with exceptionally clear water.

Climate

Year round high temperatures in coastal regions: Colombo averages 27°C. It is much cooler in the hills with Kandy averaging 20°C and Nuwara Eliya down to 16°C. Springlike temperatures in the hill country, but chilly evenings. Two monsoon periods: Apr-Sep when rain is confined to the southwest; and Oct-Mar when it falls in the northeast.

Optional activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

A selection of optional activities are listed below to help you budget for your Family adventure. Whilst the basic tour price you pay before you travel includes a great selection of highlights, we have also built in free time to allow you the flexibility to choose from a carefully selected range of additional excursions and activities or take time to relax, the choice is yours. At certain destinations along the way there may be several options to choose from and it may not be possible to fit all the activities in; your Explore Leader will be able to give advice on which are the most suitable for your family.

Day 7: Kandy

Evening cultural show £5.00 per person

Days 11 to 13: Maldives

Diving can be available for around USD \$100 per person in Alimatha or Dhiggiri which is in the Vaavu Atoll, and in Fun Island, Rihivel or Fihalhohi resort in the South Male Atoll

Clothing

Select your clothes carefully, bearing in mind that the climate in Sri Lanka is tropical and that upland areas are cooler and more temperate. Lightweight rainwear is also essential, and warmer clothing for the highland walks and chilly night temperatures in the mountains. Local people in Male and in villages on the islands find western styles of dress offensive. Brief shorts, tight fitting clothing etc. should be avoided by both men and women.

When visiting religious sites you will need to dress respectfully by covering your knees and shoulders,

and taking off your shoes and hats. (You may benefit from taking along a pair of socks for temple visits as the ground can get very hot!). You will need to bring long trousers, or buy a sarong locally.

Footwear

Lightweight shoes and sandals

Luggage: On tour

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself.

A water bottle and a torch. Whilst camping all bed linen is supplied on our overnight camp - there is no need to bring any extra equipment or sleeping bags. You may like to bring your own snorkel and mask although they will be provided on the Dhonis. Bring a torch. Also high factor sun protection and a hat. We recommend Factor 30 plus for snorkelling as the water intensifies the sun's strength. Both bath and beach towels are provided on the Dhoni.

Tipping

Explore leader

At your discretion you might also consider tipping your Tour Leader in appreciation of the efficiency and service you receive.

Local crew

In this region, tipping is a recognised part of life across the service industry. Local staff will look to members of the group for personal recognition of particular services provided.

To assist with this your Explore Leader may organise a group tips kitty for included activities and meals, they will then account for kitty use throughout the tour.

For this we suggest £35 per family member (£20 in Sri Lanka, £15 in the Maldives).

For all non-included services and meals on your trip please tip independently at your discretion.

Accommodation notes

Standard - Our mid-range accommodation offers a good level of service often with other amenities such as a restaurant, bar, garden or swimming pool. Generally rooms will be comfortable with en-suite facilities.

There are normally two Dhoni cruise boats that travel together on this tour with a capacity of up to ten per boat. The cabins have either double or bunk beds and there are a number of toilets with showers on board. There is a bar and dining room with a sundeck to relax and sunbath throughout the day plus a TV and DVD player on board. Provided equipment includes; snorkelling gear, fishing equipment, various board games, life jackets and first aid kit.

Traditional Sri Lankan cuisine is excellent, and although it can be very spicy there are many dishes that feature cooling coconut milk or have a spicy sambhar on the side to allow you to adjust the meal to your taste. There isn't a culture of eating out in Sri Lanka, most locals will eat at home, and as such there are very few restaurants around, and those that exist tend to be in hotels. As tourism develops a few independent restaurants are beginning to appear, mainly in Colombo but also in Kandy, Galle and in the coastal resorts. During the tour we will endeavour to eat out at local restaurants wherever possible but for many nights, at this point in time, the hotel restaurants are the only option available.

Family swimming

Some of the hotels have pools and there are plenty of opportunities when on the dhoni sailing boat in the Maldives
