### DAY 1 - Join trip Johannesburg and drive into the Kingdom of Swaziland

We join our trip in Johannesburg where you will meet your Explore Leader and then we will make our way to the Kingdom of Swaziland. A scenic journey which takes us from the low plains of South Africa to the mountainous Highveld of Swaziland. Nestled between South Africa and Mozambique, Swaziland has somehow kept its independence and maintained its traditions and culture with the King leading the country as the last true monarch in the world; to the casual observer it would seem unchanged for centuries. However as we will find over the next 8 days, the country has been a leading light in conservation in Southern Africa. Our base for the next two nights are log cabins in the Malolotja Nature Reserve, one of the most impressive mountain parks in Southern Africa. We will have some time for an orientation walk after arriving.

This morning we explore this beautiful nature reserve, we start by making our way through the park to the Malotja Falls; at 95m they are the highest waterfalls in Swaziland. Whilst hiking across the green rolling hills your leader will be spotting some of abundant bird life found in the park, including endangered blue swallow, Denham's bustard and southern bald ibis. After lunch the afternoon is free for you to continue the exploration of the reserve and your leader will advise you of many short walking trails found in the area. For the thrill seekers there is the option of taking the famous Malotja Canopy Tour, featuring 11 wooden platforms joined together by zip lines, an unforgettable experience. There is also an option to take a short excursion to the ancient Sangweni San Rock Art site just outside the reserve near Maguga Dam.

## DAY 3 - Visit oldest mine in the world, afternoon walking safari in Mlilwane

We spend our last morning in the Highveld visiting the Lion Cavern, the oldest mine in the world. This iron ore mine has been dated by archaeologists to around 43000 years ago and we will have a tour with a local guide. From the mine we visit the Ngwenya Glass Blowing Factory where highly skilled artists blow amazing glass crafts which are for sale in the factory shop. This is an important site as the glass used is 100% recycled and collected from used glass bottles in Swaziland. Leaving the green mountains behind us, we make our way to the renowned Mlilwane Wildlife Sanctuary. Mlilwane is where conservation started in Swaziland and we will spend the afternoon on a walking safari through this beautiful park, looking for zebra, antelope, wildebeest and a myriad of birdlife.

In the afternoon we will take a game drive around the park and as the sun starts to go down we will head up the iconic Execution Rock, the mountain that dominates the landscape. Legend has it that centuries ago those who committed serious crimes against the King would be hauled to this peak and thrown from the cliff edge to their death. The summit offers 360 degree views of the entire Ezulwini Valley and is a great way to end the day - for us at least!

We then make our way up the Lubombo ridge to the Shewula Mountain community to stay with our hosts for the evening. Swaziland is famous for its pristine culture and this is a fantastic way to experience this and enjoy the company of the local community. Walking poles are recommended for some of the hikes. Mosquito nets are not required as the accommodation provides screening where necessary.

## Tipping

### Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. However, you might want to recognise a leader that's done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It's a tricky one, and down to personal preference, but we'd recommend between £15 to £20 per person per week as a guideline.

### Local crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, your leader may organise a group's tips kitty for included activities and meals and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow £15.00 per person for group tipping.
