DAY 2 - Drive to Petra via the Desert Highway

Follow the Desert Highway to Petra in time to visit this afternoon. A winding narrow path through the Siq leads you to this incredible ancient city and UNESCO World Heritage Site. Petra has been a focus of settlement since pre-historic times, but it was under the Nabataeans that it reached its apotheosis as a centre for trade. From around the 3rd century BC, the Nabataeans began to abandon their nomadic lifestyle and build a city at Petra. Passing trade not only brought great wealth but also inspired a synthesis of Hellenistic, Egyptian and indigenous architectural influences, resulting in the stunning monuments for which Petra is famous. Your afternoon will be spent exploring the site.

DAY 3 - Free day to explore Petra

Spend a second day exploring the archaeological wonders of Petra. Observe countless tombs, baths, temples and intricate rock drawings, as well as a 3000-seat open-air theatre. Beyond the Treasury the main route passes tombs, dwellings, temples and the central city area, with its colonnaded Roman street. However, two of Petra's most impressive sights are to be found above the valley floor. The Monastery (Ad Deir) is one of Petra's best preserved monuments and the long steep climb to get there is well worth the effort. Equally stunning is the 'High Place of Sacrifice' on the summit of Jebel Madhbah, which affords magnificent views in all directions.
