Tailormade Costa Rican Cloud Forests and Beaches

Volcanoes, cloud forest and beaches

This 11 day holiday takes you to the slopes of Arenal Volcano where you can unwind in the natural hot springs. Continue to Monteverde Cloud Forest where canopy walkways allow you to get right up into the tree-tops, look out for hummingbirds zipping by and the beautiful quetzal, one of the best places to spot this rare bird. The journey ends on Tamarindo beach, a great spot on the pacific coast with many restaurants, boutiques and art galleries. Alternatively if you prefer a more secluded spot you can head to one of the pristine beaches on the Nicoya Peninsula further south.
