DAY 2 - Hanoi

Arrive in Hanoi and check-in at the hotel. The remainder of the day is free to make your first impressions of the Vietnam's capital city. You may choose to take a walk around the shores of Hoan Kiem Lake. Situated in the centre of the city and translated as 'Lake of the Restored Sword', Hoan Kiem Lake was named after a legend in which Heaven gave the Emperor a sword used to drive the Chinese from Vietnam; after the war a turtle rose from the water and grabbed the sword taking it to the depths of the lake. If you are lucky you may even spot some turtles in the murky water.

DAY 3 - Hanoi

Like a French provincial town with tree-lined boulevards, Hanoi is wonderfully nostalgic and a walk through the engaging streets of its Old Quarter provides an ideal introduction. Named after the various crafts and specialities of the city's artisans, each street bears such descriptive monikers as Paper Street, Silk Street and Basket Street. This practice dates back to the 13th century, when the city's original 36 guilds established themselves here, adopting a street each to differentiate them from their neighbours. The maze of alleys presents a fascinating venue to explore on foot and the area is known for its interesting 'tube' houses, whose narrow frontages give way to long rooms that stretch back. Street vendors tempt you with noodles, snacks and stir-fried delights from shoulder panniers, all adding to the charm of Hanoi's historic heart. Explore on foot and on an exciting cyclo ride which will also take you to Ho Chi Minh's Mausoleum and The Temple of Literature. Founded in 1070 as a Confucian temple, the Temple of Literature was also Vietnam's first university, the Chinese style architecture and courtyards are not to be missed.

DAY 4 - Halong Bay

Drive to the incredible setting of Halong Bay, one of Vietnam's most spectacular natural attractions recently voted as one of the eight natural wonders of the world. A UNESCO World Heritage Site, Halong Bay boasts hundreds of jungle clad islands (over 1600 at the last count) that rise from the jade green waters of the bay like the scales of some great submerged dragon. Indeed Halong means where the dragon descends to the sea and local legends tells of a time when this rugged landscape was created by the pounding tail of a mighty dragon as he ran from the mountains into the glittering waters of the bay below. On arrival you will board your junk and set sail, threading your way through a flotilla of boats, junks and wooden sampans as they ply their way across the gentle waters of the bay. The plan for today is to sail through this stunning seascape, stopping off to swim and visit some of the limestone caverns that pepper the landscape.

DAY 5 - Halong Bay cruise and Hanoi

This morning you enjoy the romantic scenery of Halong Bay on a cruise amongst the islands. You'll have the chance to stop at a grotto beneath towering cliffs and perhaps visit a beach. It is interesting to see the curious assortment of tourist boats, traditional junks and wooden sampans gliding through the waters. In the afternoon you'll return to Hanoi for the evening. Perhaps you may like to see a performance of traditional water puppetry, a practice that dates back to the 15th century. Set on a flooded stage, the stories tell tales of legendary heroes and everyday life, with dragons and unicorns sharing the stage with ducks and frogs, and even fireworks and naval battles.

Vietnam

Climate

As Vietnam is a long, narrow country from north to south climate conditions vary considerably. The climate can be divided into three distinct patterns between the north, central and south regions. The climate in the north is generally humid and subtropical, although the winter months from November to March can be colder with temperatures from 10 - 15 degrees. Summer months, May to September can be quite hot with temperatures from 30 - 35 degrees. Meanwhile south Vietnam enjoys a tropical climate all year round, with little variation throughout the year (around 27 - 32 degrees), however May to November is the rainy season when short, heavy downpours are quite frequent. Central Vietnam lies somewhere in between. The coastal strip is usually dry and hotter from April to October while November to March is wetter and cooler. A light rain jacket and small umbrella are recommended year round.
