Vietnam

Climate

As Vietnam is a long, narrow country from north to south climate conditions vary considerably. The climate can be divided into three distinct patterns between the north, central and south regions. The climate in the north is generally humid and subtropical, although the winter months from November to March can be colder with temperatures from 10 - 15 degrees. Summer months, May to September can be quite hot with temperatures from 30 - 35 degrees. Meanwhile south Vietnam enjoys a tropical climate all

year round, with little variation throughout the year (around 27 - 32 degrees), however May to November is the rainy season when short, heavy downpours are quite frequent. Central Vietnam lies somewhere in between. The coastal strip is usually dry and hotter from April to October while November to March is wetter and cooler. A light rain jacket and small umbrella are recommended year round.

Accommodation notes

Booking a Single Room

All of our group tours are planned and operated on a twin-share basis, meaning that the standard cost is based either on individual travellers sharing accommodation with another group member of the same sex, or people who book together sharing accommodation. Please refer to the tour notes where the single room option availability is detailed on a night by night basis for this tour, and the price for the available nights is detailed on the dates & prices tab by departure date. For Self-Guided trips the Single Room supplement offers the option of a single room each and is charged per person. The Single Room supplement also applies to the third person in a party of three that will be accommodated in a single room.

Standard

Light on your pocket but long on authentic experiences, these holidays are based in simple, sometimes local-style accommodation. If your idea of adventure travel is to experience real, everyday life then you will enjoy our Standard style of trip. You will have the chance to stay at simple, family-run hotels and guesthouses where the lack of luxury is more than compensated for by the warm welcome and genuine insight into local life.

Coco Beach Resort

Coco Beach Resort is located on Mui Ne beach. The bungalow rooms are situated in tropical gardens, facing the beachfront and with a private terrace. Rooms are simply furnished, yet comfortable, with air-conditioning and mini-bar. The resort also has a pool, pub, beach bar and two restaurants.

Premium

On Premium level tailor-made holidays you will stay at comfortable mid-range hotels, chosen for their location, ambiance or local character. Your rooms will be clean and well-appointed, with en suite bathrooms and air-conditioning or heating as necessary. Premium level hotels normally have restaurants, bars and often other amenities such as a swimming pool and gardens, offering a good level of comfort at a reasonable price.

Blue Ocean Resort

The Blue Ocean Resort is a modern property, located on Mui Ne Beach, Phan Thiet. The hotel offers a swimming pool, spa services, fitness centre and restaurant serving European and Asian cuisine. The Pool View Bungalows have air-conditioning, minibar, Wi-Fi and a terrace overlooking the pool.

Indulge
