Tailormade Toy Trains and Holy Temples

Hill stations and holy temples

Discover some of the highlights offered by India's Northern states, home to important holy sites and some quirky experiences. Throw yourself into Indian life and take the narrow gauge train to the old hill station of Shimla, where Rudyard Kipling based his 'Plain tales from the Hills' novel. Roam through marbled courtyards in the grounds of the ornate Golden Temple in Amritsar, and embrace the noise and commotion at the closing of the border crossing with Pakistan. Inbetween there is also a stop in McLeod Ganj (Dharamsala), home to the Dalai Lama and therefore a place laden with Buddhist sites.

Trip information

Country information

India

Climate

There is considerable variation between the different regions of India but, in general, the climate is tropical. Summer temperatures on the plains are very hot, but cooled by the South-West Monsoon, which lasts from June- September. During these months it can be very wet and therefore very humid. At altitude, temperatures can become quite cool at night even in the summer and may drop below freezing between December and February so warm clothing is necessary. In the winter, northern and mid India can be very cool, with cold evenings, so warm clothing, including plenty of layers, are essential. The south of India remains warm and sunny during the winter months.

Foreign Exchange

Local currency

Indian Rupee Recently new 500, 1000 and 2000 rupee notes have been brought in to circulation and as the old notes are no longer accepted there have been some cash flow issues. You don't need to worry about being given old notes as it's very easy to tell the difference, the new notes are pristine in comparison with most Indian money which is fairly tatty.

Recommended Currency For Exchange

GBP/US\$ are the best currency to change into local currency.

Where To Exchange

The Indian rupee is a restricted currency and it is best not to obtain in the UK as rates are very poor. You can either change money at the airport on arrival or in major towns during the tour. Your Tour Leader will advise you on the best places in each town. Both GBP and USD cash are easy to exchange at the airport and at hotels however you will be restricted to changing £60 cash at a time and it's not possible to change money at these locations using a credit or debit card.

ATM Availability

ATMs are available in most large cities in India but they are very limited elsewhere so please do not rely on this.

Credit Card Acceptance

Very rarely, only in the larger outlets.

Travellers Cheques

Opportunities to exchange are limited.
