## Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

### DAY 1 - Join trip in Bangkok; Optional Longtail boat canal trip

Arrive in Thailand's capital, the lively metropolis of Bangkok. The bustling street life of this energetic city is set to a backdrop of colourful, ornate shrines and modern glass-fronted high-rises, which jostle for position to dominate the city's skyline. It's a place where old meets new at every corner. Sample the fresh and tasty street food, haggle in the non-stop markets and take a cruise out on Chao Phraya River to witness stunning sunsets.

For those arriving on time our Leader plans to meet you in the hotel reception at 1pm for the welcome meeting and for those that wish, there is an optional longtail canal trip which cruises along the city's Khlongs to explore the city from Bangkok's network of backwaters that branch off the Chao Phraya River. The excursion will also include visits to Wat Arun, the Royal Barge Museum and the Temple of the Dawn, built to represent the towering slopes of Mount Meru - the Khmer's mythical home of the Gods.

If you would like to receive a complimentary airport transfer today, you'll need to arrive into Suvarnabhumi Airport (BKK), which is one hour from our hotel. Should you miss the welcome meeting, your Leader will inform you of any essential information as soon as you catch up in the lobby at 8am on day 2.

Please note that if you wish to join the Optional Longtail Canal Trip today, you must arrive at the hotel by 1pm. If you are booking your own flights, we recommend giving yourself at least one hour to clear the airport. From the airport to the hotel is around one hours' drive, so therefore the latest your

### DAY 2 - In Bangkok, visit Grand Palace and Wat Po; overnight train to Trang

Travelling on foot this morning we head for the magnificent splendour of the Grand Palace, where we enjoy a tour of the site in the company of a local guide. Dating from the latter years of the 18th century, this huge edifice represents the emergence of the Thai nation once more from under the yoke of Burmese oppression. It is opulence on the grandest scale and is almost certainly the most impressive site in the city, with its unrivalled collection of palaces, golden stupas, wats (temples) and ornately decorative statues.

The most impressive of the wats within the palace grounds is Wat Phra Kaeo (The Temple of the Emerald Buddha), where we find the small jade statue of Buddha, believed to have been created in Sri Lanka and reputedly discovered when a lightning storm split open an ancient chedi in the northern town of Chiang Rai during the early years of the 15th century. Reputed to contain fabulous powers it is still worshipped by Thais, from the king down, to this day.

After our visit we continue on foot to the rambling complex of Wat Po, older even than the city itself and home to the fabulous reclining Buddha, a 46 metre golden plated statue depicting Lord Buddha as he enters Nirvana. We will have some free time to enjoy the delights of Bangkok before we head to the station, to get our overnight sleeper train to Trang. We will travel in 2nd Class A/C sleeper, which comprises of two bunk-style beds that fold down on either side of the carriage. Each bed has a privacy curtain that can be pulled across the length of the bed, and toilets are available at either end of the carriage.

### DAY 3 - Public ferry to Koh Hai; free afternoon on the island

We awake this morning in Trang, the gateway to the Southern Andaman Islands. After disembarking, we make a short drive to Pak Meng Pier where we catch our first glimpse of the shimmering turquoise waters of the Andaman Sea. A short boat transfer takes us to the beautiful island of Koh Hai, (sometimes called Koh Ngai), the least developed of the islands that we will stay on, and a true paradise that is perfect for exploring, with its fine white sandy beaches, clear water and vibrant coral reef. A landscape of rugged limestone outcrops and evergreen forests offer a spectacular backdrop to our stay here. Once we have checked in the rest of the day is free to enjoy as you wish.

### DAY 4 - Morning boat trip to Ko Muk to swim through the Emerald Cave. Free afternoon on Koh Hai

Our first full morning on Koh Hai sees us taking a boat trip to the nearby Trang Andaman Island of Koh

Muk, where we stop off to visit the stunning Emerald Cave (Tham Morakot). An 80 metre swim along a limestone tunnel emerges at an inland beach, surrounded by enclosed cliffs covered in vegetation and an open pool of water that reflects the most beautiful emerald colour. This island is the perfect place to relax and unwind - perhaps taking the opportunity for further snorkelling or a walk through the forested interior to the other side of the island. Returning to Koh Hai the rest of our time on this glorious island is free to enjoy as you wish. You may like to take a walk into the forested slopes of the National Park, where crab-eating monkeys and monitor lizards travel down from the mountains to wander through the plantations of palms in search of food. Alternatively, you can enjoy more of the spectacular reefs off shore, either from the beach, or by taking boat trips from the island.

Of course you may just prefer to soak up the idyllic majesty of our island paradise and relax by the warm waters of the Trang Sea. This evening there is the option to take a sunset cruise from Koh Hai, a fitting way to spend our final night on the island, before continuing north.

### DAY 6 - Public ferry to Koh Lanta; free afternoon

Transferring to the local pier we take a public ferry to the island of Koh Lanta, whose beautiful beaches have earned it the name of Pulau Satak by the local people (Island of the Long Beaches). Its white sands and forested hills present the ideal backdrop to our stay amidst the warm waters of the Andaman Sea and on our journey to the island we may even be accompanied by dolphins and flying fish, so keep your eyes peeled. On arrival we will transfer to our hotel and check in, after which the rest of the day is free to explore, or simply relax and take in the tranquil ambience of our idyllic surroundings.

Inhabited largely by Muslims who arrived here from Malaysia 200 years ago, this beautiful island is some 25 kilometres long, with a steep ridge forming a forested interior. Parts of its lush interior are cultivated, but most villagers are still involved in the time-honoured occupation of fishing, much as their ancestors have been for generations. There are superb deserted beaches to wander along, or watch the fishermen pull in a catch, while children splash in the golden waters at sunset. This is the spot to forget your worries and relax. And watching the sunset with a Mai Tai cocktail offers a

### **DAY 12 - Free day in Krabi, optional full day trip to Phi Phi Islands**

A free day affords another opportunity to relax and enjoy the balmy serenity of these tropical shores, relaxing on the beach, or perhaps taking a walk through the surrounding area.

Renowned for its limestone outcrops, the Krabi region is littered with caves that have unearthed prehistoric rock paintings and artefacts that date back some 40,000 years, one of the oldest finds of human habitation in South East Asia. These caves are also one of the prime sources worldwide for the nests of the Swiftlet that is used to make bird nest soup.

For those looking for adventure farther afield there is the option to take a morning ferry to Phi Phi Island. Here, magnificent limestone cliffs rise out of the water while warm waves crash on the brilliant white sand. The undulating island is covered with rich vegetation and bright flowers and fringed with thatched roof houses. It was on Koh Phi Phi that the film *The Beach* was filmed.

## Clothing

Pack essentially for hot weather. Bear in mind that the region is tropical (humid) and that days can be very hot. Lightweight rainwear or an umbrella is advisable all year. Casual clothes are the most practical (something with long sleeves, and long trousers for evenings), and tight fitting garments should be avoided. Laundry facilities are available on the islands. A swimming costume is a must.

## Footwear

Comfortable shoes and sandals. Flip-flops or Thongs are useful when hopping on and off boats.

## Luggage

20kg

### Luggage: On tour

One main piece of baggage and a daypack.

## Equipment

A small torch, insect repellent, water bottle. Bring a beach towel and high factor sunscreen. If you intend to do a lot of snorkelling we recommend you bring your own mask and snorkel, as local equipment is not always top quality. A disposable waterproof camera can be useful whilst snorkelling. Any qualified divers should remember to bring logbooks and certification with them if intending to dive.

## Tipping

### Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. You may however, want to recognise a leader that's done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It's a tricky one, and down to personal preference, but we'd recommend between £15 to £20 per person per week as a guideline.

### Local crew

You should allow approximately US\$25.

## Thailand

### Food and drink

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

Dinner price	Beer price	Water price
£4.00 - 8.00	£1.5	£0.5

### Foreign Exchange

Local currency	Recommended Currency For Exchange
Thai Baht	We recommend that you bring your money in GBP or US\$.

### Where To Exchange

Most major towns and on the islands - your Tour Leader will advise you on arrival.

### ATM Availability

ATMs are available in Bangkok but are limited on the islands.

### Credit Card Acceptance

Major stores and restaurants.

### Travellers Cheques

Can be exchanged at banks and exchange offices throughout the tour although rates may not be as favourable.

---

## Transport, Accommodation & Meals

## Transport Information

Bus, Boat, Ferry, Train

## Accommodation notes

We carefully select the accommodation on this relaxed beach-based trip to ensure a pleasant stay, in some cases the facilities at some of the island hotels are less sophisticated than in the city, with electricity supply and hot water availability being limited in some instances. This maybe because of restrictions in the mains supply or the hotels may need to generate their own electricity and do not wish to run their generators 24 hours a day. In the heat and humidity many people prefer a cool shower - note that where the bathing water supply is unheated, it will take on the surrounding air temperature so still be relatively warm!
