Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Trip begins in Bucharest

Arrive in Bucharest, Romania's largest city that became its capital in 1832. It has gone through a period of urban renewal and modernisation and it is now a bustling city, at the centre of Romanian culture, art and media.

You will be met on arrival at Bucharest's Henri Coanda International Airport (OTP) by a local guide, and driven to your centrally located hotel, around 30 minutes away. There are no planned activities today so you are free to arrive in Bucharest at any time. For those booking their own flights, you will just need to let us know your flight details no later than three weeks prior to departure, in order to be met on arrival.

Your guide will be with you throughout the trip, so you have the opportunity today to ask any questions you wish about the itinerary. The luxury of having the same guide throughout is that you can make this itinerary flexible if you want to - if you want more time at a particular site, for example, or conversely if you want to skip a city tour and do some solo exploration that's fine too.

DAY 2 - Tour of Bucharest and evening bear watching

Bucharest is situated on the Danube Plain and set amid a series of lakes and spacious gardens, which showcase a remarkable blend of turn of the century elegance and communist excess. With a guided tour, discover the architecture that earned it the reputation as the 'Paris of Eastern Europe', including the beautiful columned facade of the Romanian Atheneum concert hall and the Royal Palace of Bucharest. Visit also the Palace of Parliament; the magnificent but excessive and controversial palace of ex-President Ceausescu.

After the tour, head off to the observatory for bear watching (in season - year round aside from when the bears hibernate over Winter). The Romanian bear population is one of the few strong and healthy populations remaining in Europe and the Carpathian Mountains are home to about 43% of all European bears (approximately 6,000 individuals). This region is therefore of key international importance in the conservation of brown bears and due to increasing human-bear interactions, it's also the focus of much research into the effective management of bears and their habitats. Bears may be active at any time of the day, but generally they forage in the morning and evening and rest in dense woodland cover by day. Try to spot these bears from a hide at dusk when they come out to feed. From here, drive to the Transylvanian village of Moieciu and stay in a local guesthouse for the next three nights.

Please note, that the bear watching from the observatory may take place on day four depending on the local forestry department's advice. Also, since the Palace of Parliament in Bucharest is still an active government building that it might not always be open to visitors or possible for to go inside. If this is the case then the itinerary can be amended to visit Sinaia Monastery on day three.

DAY 3 - Visit to Peles and Pelisor Castles; chance for further bear watching

Start this morning with a walk in the Bucegi Mountains surrounding Moieciu. The surrounding forest and woodland are protected as a nature reserve. After the walk, drive to nearby Sinaia, known as the 'Pearl of the Carpathians' because of its stunning scenery. The first port of call is the wonderful Peles Castle. Built for the imported Hohenzollern monarch Carol I, Peles resembles a Bavarian chateau and is richly

decorated with stained glass, Persian carpets, Renaissance weapons, ebony and mother of pearl. Then visit the adjacent Pelisor Castle, largely the creation of Queen Marie of Romania, with a fine Art Deco and Art Nouveau interior. Returning to Moieciu this afternoon, there will be the opportunity for you to choose to spend more time bear watching at the observatory. A late dinner is included this evening - an opportunity to enjoy a traditional home cooked meal.

MEALS PROVIDED: BREAKFAST & DINNER

DAY 4 - Visit to Bran Castle; Brasov walking tour including the Black Church

Visit the castle at Bran today. The truth behind Dracula's Castle is even more fascinating than its myths. In the early 20th century it was the home of the remarkable British born Queen Marie of Romania, granddaughter of Queen Victoria. Vlad the Impaler, the infamous 15th century ruler of Wallachia, never actually lived here and Bram Stoker never came near Transylvania! Perched on a crag in a valley between two high mountain ranges, the castle controlled an international trade route, but is now a rural backwater. Exploring the village, the castle and the museum gives you a chance to unravel fact from fiction.

Later this morning, drive to the Medieval city of Brasov. Brasov is one of the most historic cities in Transylvania, and you'll spend the rest of the day exploring with your guide. The town is a gem of old buildings, cobbled streets and local atmosphere all clustered within the Medieval fortifications and overlooked by a magnificent 15th century Gothic cathedral. Founded by German settlers to protect the routes that made their way up to the high passes over the Carpathians, Brasov is an architectural delight. There are several churches dating from the 14th through to the 18th century.

Later this afternoon you may like to visit one of the museums, the First Romanian School or Saint Nicolas Church in the Scheii area (the old Romanian district of Brasov). In the evening you have an option of returning to the observatory for more bear watching.

ACCOMMODATION:
Casa Zada Guest House (or similar)

Grade: Comfortable Guesthouse

SINGLE ROOM AVAILABLE

MEALS PROVIDED: BREAKFAST

DAY 5 - Drive to Bucharest Airport where the trip ends

Departing Moieciu this morning, drive for around three hours to Bucharest Henri Coanda International Airport (OTP), where the trip ends. We recommend not booking any flights to depart before 12.30pm, due to the length of the drive to the airport.

If your flight is departing later in the day then you may choose to return to Bucharest city centre to visit some of the historic buildings or museums. If you wish to be dropped off in the city centre then this can be arranged with your guide. In this case, you will be taken to the hotel in Bucharest where you can store your luggage. To get back to the airport you will need to take a public bus or taxi.

MEALS PROVIDED: BREAKFAST

Climate and country information

Budgeting and packing

Optional activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

Bucharest:

On day five depending on your flight departure time, you might have the opportunity to go into the city centre after your trip ends at the airport. If you wish to be dropped off in the city centre, discuss this with your guide. You can be taken to the hotel in Bucharest where you can store your luggage. To get back to the airport you will need to take a public bus for approximately 7 RON per person or the hotel can book a taxi for you.

Please note many of the castles charge a photography fee. Accordingly you should allow approximately £10.

Moieciu:

Additional nights bear watching in the observatory cost approximately €50 per person per night.

Clothing

The weather in Romania is very seasonal. In summer, we recommend lightweight clothing in the days, and during spring and autumn, you should bring layers as the weather can get cold. Rain and windproof jackets are essential throughout the year, particularly for your hike near Bucegi.

For the nights of bear spotting, we recommend a warm fleece or sweater, woolly hat or balaclava, gloves, and even thermal underwear and thick socks. It's unlikely to get that cold in summer, but it's better safe than sorry, particularly if you feel the cold.

During winter, you could take it a step further by packing a well insulated jacket (like a ski jacket) and a good pair of ski trousers, or any trousers with good insulation that are waterproof. Gaiters may be useful for walking in the snow during winter.

Footwear

Comfortable walking boots and trainers or other shoes. If travelling in winter, waterproof hiking boots are essential.

Luggage

20kg

Luggage: On tour

One main piece of baggage and daypack. Remember you are expected to carry your luggage so don't overload yourself.

Equipment

We also recommend taking a water bottle, insect repellent, torch, sunglasses, camera and binoculars.

Tipping

Explore leader

On this private journey, you will be accompanied by a driver-guide throughout the trip, who fills very much the same role as the Explore Tour Leader on our group tours. Tipping isn't compulsory, and we work hard to ensure that our guides receive a fair wage. You may however, want to recognise a guide that has done a great job or really added to your trip, by giving them a tip. We're often asked about the recommended amount. It is a tricky one, and down to personal preference, but we would recommend £20 to £25 per person per week as a guideline.

Local crew

Although voluntary, tipping is a recognised part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. Accordingly, you should allow approximately £15 of local currency for tipping.

In order to make things easier for you, your driver-guide may organise a tips kitty and if this is the case, they will account for it throughout the trip.

Romania

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

Our dedicated flights team will match the best flight options to your arrival and departure airport.

On our website we display a UK flight inclusive package guide price which is generally based on a London departure. To avoid paying supplements or to secure your preferred flight option, we recommend booking as early as possible, especially for peak travel dates.

Included activities

During the stay in Moieciu you will visit a bear observatory and spend an evening in a hide to try spotting these impressive wild animals. Our local agent is in regular contact with the wildlife authorities to find out which hides offer the best chance of seeing bears depending on the areas where they have been most recently spotted. There are 22 hides in the area and they accommodate 5 to 15 people at a time. The transfer from the guesthouse to the hides will take between 20 minutes to one hour depending which ones we will be using.

You will either have an early dinner before or a late dinner after the bear watching excursion. Depending on the time of year you will be in the hides for two to four hours - generally entering them between 16.00 to 18.00 and leaving between 19.00 to 22.00, so that you hopefully see the bears when they come out to feed. Once in the hides you must remain inside until the end of the excursion. There are no toilet facilities within the hides, but there will be the opportunity to stop at a service station for a bathroom break before arriving. Generally outdoor shoes aren't permitted to be worn inside the hides (in order to keep them clean and noise to a minimum), so you might want to wear soft slippers or thick socks when inside. It is advisable to bring insect repellent with you.

In Bucharest when visiting the Palace of Parliament or Casa Poporului as it's also known, you must take your passport with you to be permitted entry.

Please check the latest requirements with your travel clinic or doctor prior to departure. The above is not an exhaustive list.
