The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

Bagan - Sunrise visit to Temples from US\$ 8; Mount Popa Excursion approximately US\$ 42 (based on 3-4 participants); Traditional Massage US\$ 10;  
Rangoon - Scott Market and sunset visit to Shwedagon Pagoda US\$4 transfer plus US\$ 5 entrance fees  
Inle Lake - Winetasting US\$ 9; Traditional massage US\$ 8

### Clothing

You will need loose fitting, comfortable clothes for hot, humid conditions. Sunhat, sunglasses, long trousers and long sleeved shirt essential for protection from the sun. Warm weather clothing is suitable for Rangoon, Mandalay and Bagan. The Shan highlands, Inle Lake and Kalaw are cooler and in the winter season temperatures may reach near zero at night. Please dress respectfully when visiting temples and religious sites, covering your torso, shoulders and legs to below the knee and easily removable footwear for convenience as you can only enter sacred sites barefoot. In general, as Burma is a traditional, conservative and largely Buddhist culture we recommend you do not wear revealing clothing.

### Footwear

We recommend you bring waterproof walking boots with ankle support, make sure that your boots are worn-in and comfortable before the start of the trip. Also trainers or sandals for relaxing and general wear. We suggest that on international flights you either carry your walking boots in your hand luggage or wear them - should your luggage be lost or delayed, your own boots are the one thing that will be irreplaceable.

### Luggage

20kg

### Luggage: On tour

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself.

On the overnight treks to Golden Rock and Yasakyi Village your main luggage will be left in secure storage and you will be required to carry your rucksack, large enough to carry essential items for the two days (bedding is already provided). In Golden Rock it is possible to arrange for a porter to carry your bags and this can be arranged and paid for locally.

#### Daypack

On the trekking days at Inle Lake and Kyiang Tong you will only be required to carry your day pack or light rucksack, large enough to carry essential items such as water, snacks and sun/weather protection.

## Equipment

Mobile phones: Your mobile will not work in Burma. It is possible to buy a local SIM card for \$20 in order to make/receive international calls, as long as your phone is un-locked. SMS messaging is not possible. WiFi is available in most hotels.

Bedding provided in Yasakyi Village: For the night spent in the basic monastery you will be provided a sleeping mat or mattress, pillow, mosquito net and blanket or sleeping bag. You may choose to bring a sleeping sheet liner.

Walking Poles: These may be useful for the steeper sections on trek. Not available locally.

Sunglasses: A good pair of sunglasses are essential for protection against UV rays.

Sun Hat, High Factor Sun Cream/Block & Lip Salve: Bring suncream (Factor 15 or more) to protect your skin against the sun. A combination sunblock/ lipsalve is ideal for facial protection.

Torch/Batteries/Bulb: A small torch is essential for the overnight in Yasakyi. Street lighting in cities and rural areas can be very poor so a torch is useful to help light your way while out at night. Additionally power cuts can occur from time to time, particularly in rural areas. Remember to bring some spare batteries.

Cycling Helmets: We strongly advise that you bring your own helmet with you. Helmets are not available locally.

## Tipping

### Explore leader

Tour Leader: At your discretion you might also consider tipping your Tour Leader in appreciation of the efficiency and service you receive.

### Local crew

Local Crew: Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, the Tour Leaders may organise a group's tips kitty and if this is the case, they will account for it throughout the tour.

Accordingly you should allow approximately US\$40 for this purpose.

## Burma (Myanmar)
