Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Join trip in Fethiye harbour

Arrive in Fethiye, a lively market town that can trace its history back to the ancient Lycian town of Telmessos built around the harbour in the 5th or 6th century B.C.

For those arriving on time our Leader plans to meet you at gates of Fethiye harbour at 4pm to escort you to our boat. Your skipper and local leader will conduct the initial tour briefing on board. Should you miss the meeting, your leader will inform you of any essential information as soon as you catch up. If you would like to receive a complimentary airport transfer today, you'll need to arrive into Dalaman International Airport (airport code DLM), which is 50km, around 1 hour from the port.

We spend our first night in the harbour, dinner is served around 8pm.

If your flight arrives earlier in the day, perhaps you might choose to head into Fethiye. There are several restaurants and shops within walking distance of the harbour and an extensive lively market selling local produce, spices and Turkish delight off Pursahbey Street, 20 minutes' walk away.

**ACCOMMODATION:**

Overnight on Gulet (or similar)

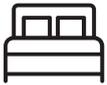

Grade: Simple Boat

DAY 2 - Travel by riverboat to the ruins at Caunus. Visit Iztuzu Beach before sailing to Yassica Island

After a short transfer to the sleepy village of Dalyan we board our riverboat. We first head upriver to the therapeutic mudbaths of Ilica and then meander downstream, weaving through reed beds rich in bird life. We pass cliffs carved with dramatic Necropolis tombs before coming to the ruins of the ancient seaport of Caunus. Much of the site is overgrown, but the fine Hellenistic theatre is well preserved and the views from the fortified acropolis are breathtaking. Looking south to the Aegean 5 kms away it is hard to imagine that Caunus was once a thriving port, but fell into decline when the harbour silted up. Continuing by riverboat we reach Iztuzu Beach, a wide spit of white sand lapped on one side by the Aegean and on the other side by the fresh waters of the Koycegiz River. This is one of the few remaining nesting places of *Caretta caretta*, the loggerhead turtle. Development at Iztuzu has been banned and an overnight curfew is placed on the beach, as this is when the female turtles come ashore to lay their eggs. Having paused to swim we transfer back to Gocek and board our gulet. We enjoy lunch aboard whilst sailing south to our first overnight mooring at the tranquil cove at Yassica Island.

ACCOMMODATION:
Overnight on Gulet (or similar)

Grade: Simple Boat

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 3 - Cruise to Gemiler Island and swim and snorkel in the warm waters of the Turquoise Coast

After an optional walk on Yassica Island, we make the short crossing to Tersane Island. Formerly the site of a prosperous Greek village, Tersane is now deserted. Among the remains are a watchtower and some tombs, all of which are now ruined but well preserved. From here we continue to Batik Hammam where we will have the opportunity to swim in the beautiful clear waters. We finish our day heading towards our next night stop at Gemiler Island.

ACCOMMODATION:
Overnight on Gulet (or similar)

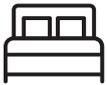

Grade: Simple Boat

DAY 4 - Sail to Kalkan with an optional trip to Saklikent Gorge and to the ancient city of Xanthos

We make an early start to sail to Kalkan, an attractive village built into the steep seacliff. Kalkan is an ideal base from which to visit the ancient city of Xanthos as well as Saklikent Gorge which is a short drive away. Xanthos was the capital of ancient Lycia, captured by Brutus in 43BC, but only after the menfolk had killed all their women and children to save them from falling into Roman hands. Saklikent Gorge, which means Hidden Place, is situated high in the mountains above Fethiye and was created by icy cold water cutting through the mountains over thousands of years. A natural wonder, the resulting canyon is 300 metres deep and 18 km long. The walls are so high they cut out most of the sunlight and the fresh spring waters that flow through are freezing cold! A great refuge on a hot summer day.

ACCOMMODATION:
Overnight on Gulet (or similar)

Grade: Simple Boat

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 5 - Cruise to the beautiful Bay of Kekova, stopping to swim en route

After sailing to one of the loveliest stretches of coastline from Kalkan eastwards towards the sheltered bay of Kekova, we then drop anchor and once again have the chance to venture onshore to discover the ancient heritage of the Lycian Coast.

ACCOMMODATION:
Overnight on Gulet (or similar)

Grade: Simple Boat

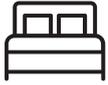

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 6 - Optional kayaking to the sunken city of Kekova before cruising to the harbour town of Kas

This morning there is the chance to try out sea-kayaking in the calm, protected waters of the bay of

Kekova. Here we find the so called Sunken City of Kekova which is partly submerged within the bay with its streets and buildings being visible in the crystal clear waters. Later we paddle to the picturesque whitewashed village of Simena, whose harbour is dotted with ancient sarcophagi (tombs) and whose houses cling to the hillside beneath a medieval castle. Hiking up to the castle, we find an ancient theatre that is carved out from the solid rock - a wonderful place to sit and soak up the beautiful surroundings and wonder about the layers of history that are all about. In the afternoon, we make our final gulet journey, sailing west to the pleasant little harbour town of Kas. This attractive port is one of the most beautiful of the Turkish Riviera, backed by steep cliffs covered with dense green forest. You'll have time to enjoy the atmosphere at one of the many lively cafes near the harbour.

ACCOMMODATION:
Overnight on Gulet (or similar)

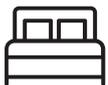

Grade: Simple Boat

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 7 - Sail along the Turquoise Coast towards Fethiye, stopping for swimming and snorkelling

Today we cruise at a leisurely pace, returning westwards towards Fethiye. Stopping en route for swimming opportunities, we eventually moor up around an hour from Fethiye in a quiet bay.

ACCOMMODATION:
Overnight on Gulet (or similar)

Grade: Simple Boat

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 8 - Trip ends in Fethiye harbour

Please speak to your Tour Leader or the boat captain to make the necessary arrangements.

Climate and country information

Turkey

Climate

Summers are hot and dry with refreshing sea breezes and clear waters, great for boat trips. It is often cooler on higher ground and in the mountains and can be cold at night, even in the summer. During the shoulder seasons (loosely speaking, before mid-May and after early October), temperatures and rainfall can be erratic, with some temperatures dropping to 8-12 degrees, and other days being bright and sunny up to 25 degrees. Mountain locations will be cooler than on the coast, of course. In the winter, temperatures usually hover between 0 and 10 degrees, but are usually wet, particularly around the coast. The best time for walking in Turkey is mid-May, June and September, with pleasant temperatures and clear blue skies.

Optional activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

A selection of optional activities are listed below to help you budget for your Family adventure. Whilst the basic tour price you pay before you travel includes a great selection of highlights, we have also built in free time to allow you the flexibility to choose from a carefully selected range of additional excursions and activities or take time to relax, the choice is yours. At certain destinations along the way there may be several options to choose from and it may not be possible to fit all the activities in; your Explore Leader will be able to give advice on which are the most suitable for your

Kalkan:

Day 4: Saklikent Gorge - By minibus/taxi from Kalkan £15.00 (depending on numbers).

Kekova:

Day 6: Guided sea-kayaking over sunken city from cruise £35 - £80 (depending on numbers)

Clothing

The long Turkish summer can be hot, though much of the Mediterranean coastline is freshened by sea breezes. A warmer sweater or light fleece and long trousers are advisable for the evenings in early and late season. Dress on the gulet is informal.

Footwear

Footwear is generally not worn on the boat, which is recommended as you get much better grip with bare feet. Bring sandals for general wear and a pair of old or plastic shoes for walking on rocks and wet beach landings. A pair of trainers or a comfortable pair of walking shoes is required for walks and visiting ancient sites.

Luggage

20kg

Luggage: On tour

One main piece of baggage and a daysack for a few personal things. Space is limited in the gulet cabins so luggage should be kept to a minimum. A soft holdall is recommended rather than a hard suitcase.

Equipment

Useful equipment includes a water bottle, small torch, high factor suncream, insect repellent, sunglasses, and a snorkel and mask for keen swimmers. Whilst some towels are provided you may want to bring your own beach towel for outdoor use and swimming. Note: Qualified scuba divers wishing to dive should bring their diving certificate and log book.

Tipping

Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. You may however, want to recognise a leader that has done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It is a tricky one, and down to personal preference, but we would recommend £15 to £20 per family member as a guideline.

Local crew

Although voluntary, tipping is a recognised part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. Accordingly, you should allow approximately £15 of local currency per family member.

In order to make things easier for you, the Explore Leader may organise a group's tips kitty and if this is the case, they will account for it throughout the trip

Local fees

Tea and coffee will be provided on board the gulet at meal/tea times and water is provided at meal times also. You cannot bring your own drinks on board the gulet, but they can be purchased on the boat at the following approximate rates:

Wine (70cl): £10.00

Water (small): £0.35

Beer (small): £2.00

Soft Drinks: £1.10

Raki: £2.65

Spirits: £2.65

It's not possible to pay by credit/debit card or travellers cheque on board. Cash machines also aren't easily found during this trip. Please also note that if you would like to offer tips for the Explore staff, it is probably best to bring this amount before you travel as cash machines are not easily found on this trip.

Transport Information

Accommodation notes

Our traditional gulet is hand built in teak and pine, with a spacious and partly shaded foredeck and comfortable indoor and outdoor lounge areas. Meals are prepared on board by the boat chef and enjoyed in the shaded aft deck.

There are four twin and four double cabins, all with an en suite toilet and shower. Please note we don't have single cabins on board, if you are a family of two, four or six you will all get twin cabins. If you are a family of three or five you will still get twin cabins and there is a very small chance, if the trip is fully booked and we have a number of families of three and five that one of your party will need to share with someone of the same gender and age group (i.e. adults will only ever share with adults or children with children).

The cabins are cosy and can get warm in summer as there is no air-conditioning or fans, so you may find it preferable to sleep above deck although port holes can usually be opened. There are plugs available in the communal areas, so it is possible to charge cameras and phones.

There is some snorkelling equipment available aboard the gulet. If you are a keen snorkeler, you may prefer to bring your own mask and snorkel with you.

The gulet may moor in a quiet bay near the night stop to minimise disturbances in the evening, especially in large urban areas/ports.

Family swimming

There is a chance to swim every day from the gulet
