Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Join trip in Kas

Arrive in Kas, a laid back fishing town on the Turkish Lycian coast with a host of adventurous activities on offer.

Due to the number of evening flights into Dalaman, your Leader plans to do the welcome meeting on the morning on Day 2 and will leave a message in reception with details on timings and everything else that you'll need for the day. For those arriving earlier, there is the chance to go out for dinner. There are no other activities planned today, so you are free to arrive in Kas at any time. If you would like to receive a complimentary airport transfer today, you'll need to arrive into Dalaman International Airport (airport code DLM), which is 150km, around 3 hours from the airport. Should you miss the welcome meeting, your Leader will inform you of any essential information as soon as you catch up.

If your flight arrives earlier in the day, perhaps you might choose to take a dip in the hotel pool or head into Kas to sample the wide choice of restaurants. Be sure to sample the hearty Turkish food on offer such as slow cooked lamb, a barbecued meat selection or pide - it's similar to a pizza.

There will be ample opportunity for swimming and snorkeling from our boat, and we plan to enjoy a barbecue lunch before returning to Kas later in the afternoon. Kas is a great place to relax, with cafes and restaurants spilling out onto cobbled streets and a network of tiny backalleys to explore.

DAY 3 - Walks in the foothills of the Taurus Mountains, stopping for a traditional Turkish lunch

Today we head for the hills to explore where we find cedar forests, streams, shady glades and tiny charming villages where the pattern of life has remained almost untouched for centuries. We plan to walk between these mountain villages and take lunch with a local family in a typical village house, before returning to Kas via the silver sand beach of Kapitاس. Located just west of Kas, Kapitاس is an idyllic spot for a swim at the end of our day in the mountains. Finally we make our way back to Kas.

Alternatively you may like to visit the isolated and ruggedly beautiful Greek island of Meis (optional), to give its Turkish name, Kastellorizo. DAY 5 - Visit the ancient Lycian site of Xanthos; canoe trip down Xanthos River to a beach at Patara

We visit Xanthos this morning which was the capital of ancient Lycia and at one time was the largest centre of commerce and religion in the region. The town has had a turbulent past, falling to both the Persians and the Romans.

During the Roman civil wars of the 1st century BC, the Lycians sided with Caesar against Pompeius but after Caesar's assassination in Rome, Brutus attacked Xanthos and demolished the acropolis. Marc Antony rebuilt their city and today it is a UNESCO World Heritage Site.

We travel down the Xanthos River by canoe in the afternoon heading to the beach at Patara. Passing through tranquil and unspoilt rural backwaters along the way, we stop for a picnic lunch before eventually emerging at Patara Beach which is a protected nesting area for giant loggerhead turtles. We

have the opportunity to swim on the return to Kas.

DAY 6 - In Kas; optional trip to Myra, the home of Father Christmas

There is an opportunity this morning to visit the Church of St Nicholas at Demre (Myra) which is where the 4th century Bishop Nicholas is said to have anonymously given money to the poor thus spawning the legend of Father Christmas. Saint Nicholas is the patron saint of two countries; Greece and Russia, and is also the protector of children, merchants, scholars and sailors - a busy man! The origin of Saint Nicholas's gift giving is believed to have arisen from a legend in which a shopkeeper was too poor to supply his daughters with dowries. When Saint Nicholas heard of their plight, he threw three bags of coins into the shopkeeper's yard, saving the daughters from a life of hardship.

The Church of Saint Nicholas was built after his death and Noel Baba's remains were placed in a rock sarcophagus. A modern statue of Saint Nicholas, complete with beard, bag of toys, and children has been placed outside the church. But Myra isn't just the home of Santa. A mile north of the church is the impressive ruins of the ancient town, where dozens of Lycian tombs are carved out of the cliff above a Roman amphitheatre. We plan to make an early start today (to beat the crowds and heat) but on returning to Kas there is a free afternoon either to relax or perhaps try snorkelling.

DAY 7 - Sea-kayaking over sunken ruins to Kekova Island, visit Simena Castle.

We depart in the early morning to try our hand at sea kayaking in the calm, protected waters of the bay of Kekova. We'll enjoy a packed sandwich breakfast with coffee en route and enjoy paddling in the tranquil waters before any other boats or kayakers take to the water. It's one of the most scenic areas in Lycia with picturesque islands, bays and small ancient cities surrounding the famous sunken city of Kekova. The results of various earthquakes, there are partly submerged streets and buildings visible in the crystal clear waters and even steps leading down into the depths of the bay.

Later we paddle to the picturesque whitewashed village of Simena, whose harbour is dotted with ancient sarcophagi (tombs), Roman baths, houses that cling to a hillside and a castle where we find an ancient theatre. Carved from the solid rock, it is a wonderful place to sit and soak up the beautiful surroundings. Taking to the waters again, we head back to Ucagiz from where we transfer back to Kas.

Turkey

Climate

Evenings and early mornings can be cool in the early and late season (before mid May and after early October). During the winter, temperatures usually hover between 0 and 10 degrees, but are usually wet, particularly around the coast. Summers are hot and dry with refreshing sea breezes and clear waters, great for boat trips. It is often cooler on higher ground and in the mountains and can be cold at night, even in the summer. The best time for walking in Turkey is Mid May, June and September, with pleasant temperatures and clear blue skies.

Budgeting and packing

Optional activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

A selection of optional activities are listed below to help you budget for your Family adventure. Whilst the basic tour price you pay before you travel includes a great selection of highlights, we have also built in free time to allow you the flexibility to choose from a carefully selected range of additional excursions and activities or take time to relax, the choice is yours. At certain destinations along the way there may be several options to choose from and it may not be possible to fit all the activities in; your Explore Leader will be able to give advice on which are the most suitable for your family.

Kas:

Day 4 or 6: Full day boat trip to Meis island (also known as Kastellorizo Island) £24 per person

Day 4 or 6: Horse riding £38 per person including return transport to the stables.

Day 4 or 6: DEMRE Visit to the Church of St Nicholas and City of Myra. £16 per person

Day 4 or 6: Scuba diving from £30 to £60 depending on number of dives; experienced divers should bring certification and log book; intro dives are available for those without previous experience.

Clothing

The long Turkish summer can be hot, though much of the Mediterranean coastline is freshened by sea breezes. A warmer sweater is recommended for the evenings in early or late season. On the canoeing and sea-kayaking excursions in particular there is no shelter from the sun, so a sunhat is essential.

March / April and late September / October / November tend to be cooler so bring layers and some

warmer clothes. A light rainjacket may also be useful.

Footwear

Trainers or walking boots for walks, plus sandals to wear in the canoes and sea kayaks which will stay on when wet.

Luggage

20kg

Luggage: On tour

One main piece of baggage and daypack. Remember you are expected to carry your own luggage so don't overload yourself.

Equipment

We recommend a water bottle, torch, insect repellent, sunglasses, daysac and plenty of high factor sunscreen. All equipment is provided on the sea-kayaking and canoeing trips. Keen snorkellers should take their own equipment as sizes (especially children's) are limited. Note: Qualified scuba divers wishing to dive should bring their diving certificate and log book.

Tipping

Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. You may however, want to recognise a leader that has done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It is a tricky one, and down to personal preference, but we would recommend £15 to £20 per family member as a guideline.

Local crew

Although voluntary, tipping is a recognised part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. Accordingly, you should allow approximately £10 of local currency per family member.

In order to make things easier for you, the Explore Leader may organise a group's tips kitty and if this is the case, they will account for it throughout the trip.

For all non-included services and meals on your trip please tip independently at your discretion.

Turkey

Food and drink

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

Lunch price	Dinner price	Beer price	Water price

Most major towns - your Tour Leader will advise you on arrival.
