DAY 1 - Transfer to your beach hotel in Unawatuna

Today you will transfer to your hotel, right on the fabulous Unawatuna Beach. There are excellent facilities including two swimming pools, free wifi, beach volleyball and yoga classes. The resort of Unawatuna, based around the palm-fringed crescent-shaped beach, has a selection of restaurants and bars offering numerous opportunities for relaxing evenings.

If you are joining from a trip already in Unawatuna, you can simply remain in the hotel instead of returning to Colombo for the last night.

Please note: Any activities mentioned below are booked and paid for directly with the hotel or other local suppliers and do not form part of your Explore holiday contract.

DAY 2 - Day at leisure to enjoy the beach or explore the local area

You are free to relax today, with no planned activities, but if you want to get out and explore it is easy to do so. The colonial town of Galle, an important trading centre since ancient times, is under 4 km away. The fortifications that remain were built by the Portuguese and Dutch from the 16th to the 17th centuries. The ramparts of this UNESCO World Heritage Site protect the harbour and a myriad of fascinating old houses, churches and warehouses. Today the town is a magnet for artists, writers, photographers, designers and poets who draw inspiration from their surroundings. Boutique shops and cafes around the town showcase their work. Also worth checking out is the Galle's Dutch Market with numerous stalls of colourful fruits, vegetables and salted fish, all crammed inside the grand 300 year old colonial building.

Aside from Unawatuna Beach, there are several other beaches nearby such as the secluded Jungle Beach, reached by a 25 minute walk or a short tuk-tuk ride. The beach has a couple of sandy coves and is particularly good for swimming and snorkelling.

Alternatively, a journey of around 18km inland will take you to the Hiyare Forest Reserve with 600 acres of pristine rain forest which attracts a huge variety of birds. The Sri Lankan green pigeon, Ceylon rose, two-spotted thread tail and black ruby barb call the area home, as well as forest animals such as mongoose, the purple-faced leaf monkey and the rare hog deer. The reserve also takes in injured animals, cares for and rehabilitates them before releasing them back in to the wild.

DAY 3 - Free day to enjoy Unawatuna Beach and the surrounding area

After a day relaxing on the beach, snorkelling in the sea or exploring the nearby area, there are plenty of beach side bars and restaurants for the perfect end to your day. Fresh sea food is on almost every menu, and there are many Sri Lankan dishes for you to try. Often spicy and always aromatic, they burst with a mixture of exotic flavours. Ambul Thiyal is possibly the closest thing to a national dish - a unique sour and spicy fish preparation with a thick paste made of Goraka, a fruit also known as Malabar tamarind.

The train journey is around two hours and follows the scenic coastal route through countryside and right along the shore before entering into the city of Colombo. Once at your final stop you will be met off the train and taken to the Colombo International Airport (CMB) by car for your return flight.
