## Trip information

### Country information

#### Vietnam

##### Climate

As Vietnam is a long, narrow country from north to south climate conditions vary considerably. The climate can be divided into three distinct patterns between the north, central and south regions. The climate in the north is generally humid and subtropical, although the winter months from November to March can be colder with temperatures from 10 - 15 degrees. Summer months, May to September can be quite hot with temperatures from 30 - 35 degrees. Meanwhile south Vietnam enjoys a tropical climate all year round, with little variation throughout the year (around 27 - 32 degrees), however May to November is the rainy season when short, heavy downpours are quite frequent. Central Vietnam lies somewhere in between. The coastal strip is usually dry and hotter from April to October while November to March is wetter and cooler. A light rain jacket and small umbrella are recommended year round.

## Tipping

### Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. You may however, want to recognise a leader that's done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It's a tricky one, and down to personal preference, but we'd recommend between £15 to £20 per person per week as a guideline.

### Local crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, the Tour Leaders may organise a group's tips kitty and if this is the case, they will account for it throughout the tour. Accordingly, you should allow US\$ 35.

## Vietnam

## Transport, Accommodation & Meals

### Transport Information

Bus, Boat, Taxi, Train

### Accommodation notes

On this tour we have opted for simple, basic and clean accommodation that provides value for money and a warm welcome. All hotel rooms have air-conditioning and attached bathrooms. Expect rooms to be furnished in a no frills manner and be prepared for both electricity supply and plumbing standards to be somewhat erratic.

In Ho Chi Minh City we stay near the Ben Thanh market and popular travellers area of Pham Ngu Lao Road. Our modern hotel in Nha Trang boasts its own swimming pool and is just a few minutes walk from the beach. In Hoi An we stay just a few minutes from the streets of the Old Town, our hotel has a small swimming pool and some traditional touches such as wooden carvings. We use small modern hotels in Hue and Hanoi, the latter being conveniently situated in the city's Old Quarter.

There are no single sex sleeping arrangements on the overnight train, however your tour leader will do their best to make tactful sleeping arrangements.

Please ensure your policy includes medical emergency helicopter evacuation in the event of illness or injury and covers the entire duration of your holiday. If you are trekking at altitude please ensure that there is no upper altitude limit which may limit or exclude cover for your trip. The cost of many of our Polar Voyages will exceed the capped amount covered by standard insurance premiums and you will be required to pay an additional premium to cover the full value of your trip.
