## Budgeting and packing

### Clothing

A warm sweater or light fleece and long trousers are advisable for the evenings especially in early and late season when the weather tends to be cooler. A light rain jacket is also recommended.

### Footwear

Well broken in and waterproof walking boots are recommended, and shoes, trainers or sandals for relaxing. We suggest that on international flights you either carry your walking boots in your hand luggage or wear them - should your luggage be lost or delayed, your own boots are the one thing that will be irreplaceable.

### Luggage

### Luggage: On tour

You may bring one main piece of baggage and a daysack for personal items. Total allowance: 44lbs/20kgs. Remember that you'll have to carry your own luggage between your transport and hotels so don't overload yourself.

### Equipment

Bring a water bottle, torch, sunblock, sunhat, sunglasses and insect repellent. Light waterproofs may also be useful at the beginning and end of the season. You may also wish to bring binoculars.

### Tipping

**Explore leader**

At your discretion you might also consider tipping your Explore Leader in appreciation of the efficiency and service you receive.

**Local crew**

Although entirely voluntary, tipping is a recognised part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, the Explore Leader may organise a group's tips kitty and if this is the case, they will account for it throughout the trip.
