Clothing

Take light and comfortable clothing that can be layered according to the temperature. July and August are the hottest months whilst early and late in the season go prepared with clothing to suit drops in temperature and possible showers. You'll need your swimming gear (some of our hotels have pools), light rainwear may be needed at any time of year, and a warm fleece/jacket is recommended for cooler evenings and nights.

Footwear

We recommend you bring lightweight walking boots, make sure that your boots are worn-in and comfortable before the start of the trip. Also trainers or sandals for relaxing and general wear. We suggest that on international flights you either carry your walking boots in your hand luggage or wear them - should your luggage be lost or delayed, your own boots are the one thing that will be irreplaceable.

It is a condition of booking with Explore that you have adequate valid travel insurance. Please ensure your policy includes medical emergency helicopter evacuation in the event of illness or injury and covers the entire duration of your holiday. If you are trekking at altitude please ensure that there is no upper altitude limit which may limit or exclude cover for your trip.
