Itinerary

Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

DAY 1 - Join tour in Amman

Join tour today in Amman, the capital of Jordan and one of the oldest continuously inhabited cities in the world. Now home to almost half of the country's population, it is a fascinating city of contrasts, where the very ancient and the brand new collide. Depending on the schedule of your flights, you may wish to explore the city independently.

DAY 2 - Walking in Wadi Rum

From Amman we immediately head south on the Desert Highway to Wadi Rum. On arrival we load our bags into vehicles which sets off to deliver them to our nightstop. After a picnic lunch we walk through one of the most powerfully evocative places in the Middle East, to our campsite. The legend of Lawrence of Arabia and his Arab revolt lives strongly here and scenes from the famous film were shot here - deep in the fabulous purple-black and yellow mountains that rise from the sands of the desert. We walk to southern Wadi, where Lawrence of Arabia used to live, continuing to the highest point on this day the Seven Pillars Mountains (950m).

We generally arrive to the camp in the late afternoon as the hot desert sun starts to set, revealing an evening of incredibly clear skies studded with stars. The private camp is in the middle of Wadi umm Eshreen surrounded only by beautiful sand dunes and granite hills.

Today's six-and-a-half kilometre walk is expected to take around two hours, along a flat route with some walking on soft sand.

ACCOMMODATION:
Muhammed Mutlak Wadi Rum Camp (or similar)

Grade: Simple Tented Camp

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 3 - Exploring Wadi Rum further on foot

We spend the next day exploring the beautiful desert area of Wadi Rum. Starting from our desert camp, we walk in the footsteps of the early Nabatean traders. Spices, silks and perfumes were once carried along this same route. We will explore the northern side of Wadi Rum visiting the natural stone bridge, walk past sand dunes, follow camel foot prints and see inscriptions and graffiti on the weathered pink granite mountains. The desert is another world, inhabited by the Bedouin people for generations. After an unforgettable day's trekking through this remarkable desert scenery of sculpted sandstone canyons and pristine dunes, we return to our camp and enjoy another night under the star-studded sky.

Today's 17 kilometre circular walk is expected to take around seven hours. Walking on mainly soft sand ascending gradually with stops for tea and lunch in the shade.

ACCOMMODATION:
Muhammed Mutlak Wadi Rum Camp (or similar)

Grade: Simple Tented Camp

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 4 - Petra; walking in the Rose Red City

After breakfast there is an optional two hour camel ride through a landscape of sandstone canyons. Non-riders are welcome to walk with the riders - quite a moderate pace, given the speed at which camels walk - or transfer ahead by 4WD to the road. The walk out if the desert descends from Wadi Rum to Edom (red) Mountains, we see the largest sand dunes area and pass the remains of Nabtain inscriptions in Jabel Elmezeet from 3rd century BC.

Meeting our bus we drive northwards to Petra where our luggage is taken onto the campsite and we look forward to a day exploring this dazzling site on foot. We first enter via the twisting and colourful Siq gorge arriving at the famous Al-Khazneh (The Treasury). Continue through the heart of the ancient city climbing to the Royal Tomb and Roman Theatre before heading up to our basic campsite in the Wadi Shamassat. We have special permission from the Petra authorities to wild camp in this unique location.

This evening there is the option to return to Petra after dinner, for an enchanting tour of the old city by candlelight.

Today's 13 kilometre walk in Wadi Rum is expected to take around five hours, descending to Edom and ascending 270 metres to the campsite.

ACCOMMODATION:

Little Petra Baidah Camp (or similar)

Grade: Simple Camping

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 5 - A further day exploring Petra and its surroundings

Today we head back to Petra to walk up to one of Petra's greatest monuments, Ad-Deir (The Monastery), set high above the city and almost hidden in the mountains.

From our camp we trek across a wild and windswept plateau called Alzantour, overlooking the Wadi Araba to the ruins of Petra. Upon reaching the rim of Jabel Almatalah we are rewarded with a superb panorama over the mountains of Petra. From here we follow a trail along some spectacular ledges to arrive at the cliffs at the top of Petra where we enter via the Monastery (1,120m). This is the part of Petra which is visited the least and a unique and unforgettable vantage point offering excellent views out over the whole city. We walk down the steps from the Monastery and visit the church, Alhabes Castle, then to the main tombs and the Nabatean Temple. The remainder of the day is free to explore the site at leisure. In the late afternoon our trek follows a different route along small paths called Wadi Alturkmanyah back to our campsite.

Today's 18 kilometre walk and guided tour is expected to take around seven hours, it is approximately a

two hour walk to The Monastery.

ACCOMMODATION:
Little Petra Baidah Camp (or similar)

Grade: Simple Camping

MEALS PROVIDED: BREAKFAST, LUNCH & DINNER

DAY 6 - Hike to Little Petra; King's Highway to Kerak and Madaba

This morning we walk from the campsite to little Petra. The ruins of little Petra are approached from one end by the narrow canyon known as Siq Barid (the Cold Canyon). Inside the Little Petra valley the walls are lined with tombs and the remains of caves previously inhabited by the Nabateans.

After visiting the site we drive along the Desert Highway before joining one of the oldest trade routes in the world, the King's Highway, up to the impressive Crusader Castle of Kerak, imposingly sited on a hilltop. Kerak became famous in the time of the Crusades as one of a chain of fortresses in the Holy War against Islam. The castle was built in 1132 by Baldwin of Jerusalem, a Crusader king.

Later in the afternoon, we continue to the small, mainly Christian town of Madaba where we spend the night. Madaba is famous for its collection of extraordinary mosaics, including the Great Map of Palestine (6th century). Discovered in 1896, and only fragmentary, it contains a good picture of Jerusalem.

This morning's three kilometre walk is expected to take around 45 minutes along a flat route.

ACCOMMODATION:
Madaba 1880 Hotel (or similar)

Grade: Standard Hotel

MEALS PROVIDED: BREAKFAST

DAY 7 - Visiting Mount Nebo, the Dead Sea and Jerash

This morning we visit Jebel Neba, better known as Mount Nebo - the point from which Moses saw the

Promised Land. From here we descend to the lowest place on earth, the shimmering Dead Sea. Surrounded by barren hills, this unique water body has an amazingly high salt content (33%) that means no animal life survives and that it is almost impossible to sink. The experience of floating naturally is unique and relaxing on the calm sea. There is also the opportunity for mud pack treatments, renowned for their precious mineral contents and their health and beauty benefits. We have access to the use of showers and washing facilities.

After a float we continue ancient Jerash. Located in the Gilead Hills, it is considered to be the best-preserved city of the Decapolis, a confederation of ten Roman cities. One of the highlights of the Middle East, a triple arch gateway gives way to colonnaded streets, theatres, temples and baths. Particularly striking is the elegant forum - a fitting place to reflect on our exploration of this wonderful desert kingdom before we return to Amman. There may be time this afternoon to visit a Hamman in Amman.

A waterproof jacket is essential at all times in case of rain and wind.

Tipping

Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. However, you might want to recognise a leader that's done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It's a tricky one, and down to personal preference, but we'd recommend between £15 to £20 per person per week as a guideline.

Local crew

Although entirely voluntary, tipping is a recognized part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. In order to make things easier for you, your leader may organise a group's tips kitty for included activities and meals and if this is the case, they will account for it throughout the tour.

Accordingly, you should allow JD28.00 (Jordanian Dinar) per person for group tipping.

International Departure Taxes

The Jordanian government levies on all travellers a departure tax of JD8.00 per person. For travellers departing by air this is usually included in the taxes on the airline ticket and thus nothing will be collected from you at the point of departure. For those travellers departing by land, this will be collected by the immigration authorities at the port of departure from Jordan.

Jordan

Food and drink

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.

Lunch price	Dinner price	Beer price	Water price
£10	£15	£4	£1.5

Foreign Exchange

Local currency

Jordanian Dinar

Recommended Currency For Exchange

Sterling and US\$ are widely exchangeable though exchange rates tend to favour the US\$. It is worth taking some money in cash. You may be able to order Dinars from your bank although the rate will usually be lower than purchasing currency in country.

Where To Exchange

Banks or 'Forex' offices in main towns/cities.

ATM Availability

ATMs are widely available, but do not always work.

Credit Card Acceptance

In hotels and some larger shops/restaurants.

Travellers Cheques

Travellers Cheques, although still the safest way of carrying money, are difficult to cash in Jordan. There are high commission charges on Travellers Cheques on a per cheque basis so if using them we suggest you take high denomination cheques. Proof of purchase may be necessary for encashment of Travellers Cheques.

Accommodation notes

The camping during your trip is in traditional Bedouin style goat hair tents, which provide the best protection against typical desert extremes of hot and cold weather. It is communal camping and the sleeping tent is laid out with rugs, mattresses, pillows and sleeping bags. There is a separate dining tent and filtered water is provided daily in large jerry cans, which can be drunk and heated in the morning and evening for washing. There is also bottled mineral water available to buy.

The Wadi Rum camp is a private camp located deep in the desert, there are toilets and hot water available for washing. We have special permission to wild camp at Little Petra and due to the restrictions here we are not permitted to have any permanent fixed structures or facilities, there are no showers but a portable toilet. This campsite is within walking distance of the Petra archaeological sites. This is basic camping but a wonderful chance to experience life in a Bedouin style tent with some of the most amazing backdrops to your nights' sleep.

Please note that some hotel swimming pools in Jordan may operate separate timetables for men and women.
