Itineraries on some departure dates may differ, please select the itinerary that you wish to explore.

### DAY 1 - Join trip at Ljubljana Airport and drive to Lake Bohinj

Arriving at Ljubljana airport, the transfer to our hotel at Lake Bohinj will take approximately one hour. Lake Bohinj is situated 28 kilometres south of Lake Bled, set in Triglav National Park the vast blue-green waters are surrounded by spruce forest and the awesome Julian Alps. The lake is less developed, unspoilt and considered by many more beautiful than its northerly cousin.

Arriving at Lake Bohinj we settle into our chalet-style hotel. Our comfortable base for the week is the family ran Hotel Kristal located a short walk from the lake. The hotel offers typical Slovenian hospitality with a welcoming lounge, sauna and garden.

Setting off from the hotel, we walk around the north side of Lake Bohinj on a gently undulating forest trail. When we reach the west end of the lake we follow the trail towards the Savica Waterfall, gradually climbing to 653 metres. The waterfall is fed by underground rivers hidden in the limestone karst; its impressive torrent is 78 metres high. We head back down towards the lake along the same path and you can either choose to walk back to the hotel following the lake trail or take a boat which runs from one end of the lake to the other (this is included).

Today's easy 12 kilometre walk is expected to take approximately four-and-a-half hours with a total ascent and descent of 350 metres.

## **DAY 3 - Take chairlift up to 1,660m. Hike to Rodica Peak with spectacular views across the Julian Alps**

Following a marked mountain trail we climb to above the ski fields and head off to the pyramid-shaped peak of Rodica (1,964m). Taking the path along the ridge we summit the mountain to be rewarded with panoramic views of the Triglav National Park and beyond. We return by the same route to take the cable car back down to the lakeside.

Today's moderate nine kilometre walk is expected to take approximately five-and-a-half hours with a total ascent and descent of 550 metres. Depending on the weather and groups ability there is an alternative shorter, five kilometre, walk to Siji peak (1,880m), the group can discuss with your Explore Leader the best option on the day.

Today is a free day to relax around the hotel, you can hire bikes and/or kayaks from the lakeside or explore the region further.

There is the option to take the public bus to Lake Bled where you can take a rowing boat out onto the lake to visit the castle or walk through the Vintgar Gorge. The gorge is 1,600 metres long, carved by the Ravnova River. There is a wooden walkway along the gorge which allows you to get as close as possible to nature; the walkway criss-crosses the river four times, hovering over waterfalls, rapids and pools.

Another alternative is to visit Ljubiana, Slovenia's laid back capital. This ancient city, which dates back to the 12th century, is located on the emerald green Ljubljanica River. It is a pedestrian friendly city, that has much to offer, the centre is traffic free with bicycles free of charge to use instead. Explore the old town with its museums and castle or soak up the cosmopolitan atmosphere in one of its many riverside cafes and restaurants.

In order to make things easier for you, the Tour Leaders may organise a group's tips kitty and if this is the case, they will account for it throughout the tour.
