DAY 1 - Join trip at Krakow Airport and drive to Czorsztyn

Join the trip at Krakow Airport where we will meet the rest of the group and our Explore Leader and drive towards Czorsztyn Lake and the picturesque village of Czorszytn. The drive will take us around two hours. Offering views of the Trzy Korony Mountains, Czorszytn Lake and the Dunajec River, this lovely village is the ideal base from which to explore the scenic and natural diversity of this pristine region. We'll have a buffet dinner at our hotel this evening.

DAY 2 - Walking in Dunajec River Gorge and evening sleigh ride

Our first full day sees us driving for about 20 minutes to start our walk along the beautiful Pieniny Way. Following the Dunajec River we meander along the bottom of the spectacular gorge that bears its name, passing a landscape of towering limestone cliffs, blanketed in lush forests of fir, beech, larch and spruce.

Part of the Pieniny National Park, the gorge is without doubt one of the most stunning in Europe and its verdant slopes attract a diverse collection of wildlife. If you are incredibly lucky you may spot eagle and pygmy owls, three toed woodpeckers or rare black storks along the river's edge. The Dunajec River has been a famous attraction since the middle of the 19th century, when tourists came here to raft down the gorge and today its gentle waters still attract those who prefer to float along through this beautiful landscape although this is an activity restricted to summer months as the river partially ices over in winter. We cross the border into neighbouring Slovakia and head towards the small village of Cerveny Klaster, which is home to a 14th century Cartesian monastery. We continue on to Szczawnica back in Poland and this is where our walk ends. Depending on how long our walk has taken to complete we'll either have lunch in Szczawnica before the short bus journey back to our hotel or we'll have lunch on our return back at the hotel.

Our walking this morning is classified as easy. It's mostly flat, 11 kilometres long and will take us about two and a half hours. If the snow cover is deep then we will use snowshoes and if it's icy then our Leader will have crampons for us to use.

This afternoon we don snowshoes for an introductory walk along some of the trails in the Pieniny Mountains, if time allows. Snowshoeing is fairly easily mastered and we should need just a few minutes to feel confident enough to head off on our afternoon's exploration. The Pieniny ranges fall between the Tatra Mountains to the west and the Beskid Sadecki to the east. We'll enjoy the tranquil splendour of the mountain scenery, its spruce and beech trees covered in layers of blanketing snow.

Our snow shoeing walk is classified as easy and will cover one to two kilometres and take us about one and a half hours. Our maximum ascent/descent will be around 100 metres.

Later this afternoon we will take a relaxing torch-lit horse-drawn sleigh ride through town and we'll enjoy food grilled outside and traditional musical entertainment before returning to our hotel.

In Poland the main Christmas celebrations happen on Christmas Eve rather than Christmas Day, so tonight at our hotel we will have a traditional Christmas dinner accompanied by carols performed by a local folk band.

DAY 3 - Snowshoeing in the Pieniny Mountains and Christmas carols

We will spend our Christmas Day morning outside in the glistening snow and picture postcard winter scenery on a longer snow shoeing walk amongst the high slopes of the Pieniny Mountains. We can take in

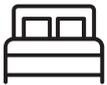

the crisp, clean air and the spectacular views across the Tatra.

We'll drive the short distance to Szczawnica to begin the snow shoeing. Our snow shoeing walk is classified as moderate and will cover eight kilometres and take us about four hours. Our maximum ascent/descent will be around 200 metres. For those that fancy an additional challenge the walk can be extended to Durbaska Peak.

This afternoon, there is the chance for everyone to join in with the included ice skating at Polana Sosny, near to the town of Niedzica. Transport to and from the ski resort will be included for you. At Polana Sosny, there is also the opportunity to try skiing or snowboarding, or go snowmobiling. If you prefer a quieter afternoon, you could enjoy our hotels facilities which include a swimming pool and wellness centre.

Tonight we will have a buffet dinner at our hotel and listen to some more Christmas carols performed by a local band.

Please note that snow shoes will only be used should the snow be deep enough. Where there has been little snowfall hiking boots alone will suffice. If there hasn't been enough snow to go snow shoeing then we will take an alternative walking route to Trzy Korony, which has a gentler ascent. This path is approximately seven kilometres long and has an ascent/descent of 578 metres.

DAY 4 - Drive to Krakow; Krakow walking tour and Jewish dinner

This morning we leave the majestic setting of the mountains behind and head back towards Krakow. Arriving mid-morning we have the opportunity to explore Poland's former capital. Its Old Town is a UNESCO World Heritage Site and it's one of Europe's most distinctive and emotive cities. You will be introduced to the delights of the Old Town on a guided walking tour. We walk through a maze of narrow streets opening out on to the huge market square - the largest in medieval Europe. The Sukiennice, a vast cloth hall in medieval times is now a covered market and a distinctive sight where the vendors' wares vary from wooden toys to beautiful amber jewellery. If time allows, you may wish to pay a visit to the Royal Castle on Wawel Hill which overlooks the Old Town or to visit Schindler's Factory to learn more about the emotive history of the city's Jews during World War II. Alternatively, you might choose to join a cooking class to learn how to make typical regional cuisine.

Later this evening, there is an included traditional Jewish dinner accompanied by Klezmer music with its expressive melodies, said to be reminiscent of the human voice. The menu is likely to include beetroot

soup with dumplings, roast goose with cherries plus a dessert. A vegetarian option will be available.

Budgeting and packing

Optional activities

The following excursions and/or activities are usually available and may be arranged locally. Estimated costs are provided below for guidance only, are on a per person basis unless shown otherwise, and may depend on the number of participants. Prices quoted are correct as of the date these tour notes were originally issued but may change at any time due to currency fluctuations. Please note: These activities are booked and paid for direct with the supplier and do not form part of your Explore holiday contract.

Krakow - Guided tour of Wawel Castle £16.00; Cooking lesson for a local dish €2.00; Schindler's Factory €5.00

Polana Sosny - Skiing 50 PLN (day rental of skis, ski boots and ski poles), and 50 PLN (minibus transport to ski slope and back); Snowboarding 40 PLN (day rental of snowboard and snowboard boots); Snowmobiling 450 PLN (for 2 hours), and 50 PLN (minibus transport per person).

Please check that your travel insurance fully covers you for medical and repatriation expenses if you intend to go snowmobiling.

The snow mobile operator reserves the right to charge you for any damage you cause to the snowmobile. An excess may be payable in the event of any damage to your snowmobile; this excess, together with any third party liability (damage to someone else or someone else's property whilst driving a snowmobile) may not be covered by your travel insurance policy.

Clothing

Weather conditions can change rapidly - sunshine, drizzle, rain and snow may all occur in the same day. In winter temperatures can drop to -10 degrees centigrade. You'll need to take very warm clothing for outdoor activities, so pack warm layers of breathable fabrics. A good quality heavy duty wind and waterproof jacket and trousers are essential.

We'd also strongly recommend packing thermal underwear, fleece under trousers, a fleece jumper, woolly hat, thick socks, scarf or snood and gloves (and glove liners for when you're taking photos). You may also find ski trousers, salopettes or gaiters, and a ski face/neck mask useful.

Ladies should take a headscarf and ensure their shoulders are covered when entering churches.

For our Christmas Eve dinner at our hotel you might like to take the opportunity to dress up for the evening in smart or smart casual clothing.

Footwear

Bring warm waterproof walking boots that have sufficient grip and ankle support for the snow shoeing and for use in icy and snowy conditions. You may wish to bring a spare pair in case your feet get wet and your boots don't dry out overnight. You may also find a pair of snow boots useful and trainers for using indoors in the hotels.

Luggage

20kg

Luggage: On tour

One main piece of baggage and a daypack for personal items.

Equipment

Bring binoculars and a camera along with spare camera batteries as these do not usually last long in cold weather. In case of emergency we also recommend that you carry a torch and a first aid kit. Sunglasses, sun hat and sunscreen may be beneficial on clear blue sky days as the sun can be very strong. We also recommend bringing your own water bottle to reduce plastic consumption. You may find taking some over shoe ice grips to be of use and walking poles in case of icy conditions.

Tipping

Explore leader

Tipping isn't compulsory, and we work hard to ensure that our leaders all receive a fair wage. You may however, want to recognise a leader that has done a great job or really added to your trip by giving them a tip. We're often asked about the recommended amount. It is a tricky one, and down to personal preference, but we would recommend £15 to £20 per person per week as a guideline.

Local crew

Although voluntary, tipping is a recognised part of life in this region of the world. Some local staff will look to members of the group for personal recognition of particular services provided. Accordingly, you should allow approximately £15 of local currency for tipping.

In order to make things easier for you, the Explore Leader may organise a group's tips kitty and if this is the case, they will account for it throughout the trip.

Poland

Food and drink

The costs for meals may vary depending upon location, type of restaurant and number of courses eaten and so the prices given are an average guide. Local restaurants located off the beaten track may be less expensive, whereas an upmarket restaurant located in the centre of a major city may charge more.
