Western USA National Parks Explorer

From the vast landscapes of Yosemite and Zion National Parks to the lively cities of San Francisco and Las Vegas, this is a journey through some of the many highlights of America's southwest. Each day takes us through mindblowing scenery, from marvelling at the Grand Canyon and discovering the spectacular rock formations of Bryce Canyon, to standing on the Golden Gate bridge and walking the trails at Yosemite. We also bask in the rosy sunset glow over the 2000s arches and towering spires of Arches National Park.

If two-weeks aren't enough, we have longer itineraries available which also include visits to the ancient cliff dwellings at Mesa Verde, and watching the sun set over Arches National Park. From the drop-down menu below, select the 'Inc Moab & Mesa Verde' itinerary.

TRIP PACE:

Full on

Full on paced trips are for travellers who like their holidays packed with activities and experiences, moving on quickly from place to place with lots of early starts and long, busy days. Some may find them tiring, but others get a buzz from packing their precious holiday-time as chock-a-block full of new experiences as possible!

8 - 13

Maximum group size ranges from between 6 to 20 people, depending on the type of trip, the transport and accommodation used and activities included. We rarely have groups that are smaller than five or six people and the average is 12 people plus an Explore leader.

Trip vehicles

The vehicles that we use on our USA trips are either low-roof or high-roof transit vans. Where possible, we aim to get the high-roof ones, allowing that little bit of extra comfort. Although not flashy, these small-group vehicles are perfect for exploring the US as they allow greater flexibility to get to those more off the beaten track places. Your Explore Leader will rotate seating positions regularly within the van. There is an image in our gallery showing you one of our vehicles.

Climate

There are great variations in the altitude and terrain of the areas visited and this is reflected in the temperatures. Desert areas can be extremely hot in the summer months (49°), though temperatures can drop dramatically at night. The mountains are cooler and wetter especially in the north of the Rockies. At the beginning and end of the season there may still be some snow around in the high passes and it can be cold, whereas in mid-summer the day time temperatures can soar.

Tipping

Explore leader

Tour Leader: At your discretion you might also consider tipping your Tour Leader in appreciation of the efficiency and service you receive.

Local crew

In North America tipping 15%-20% is a recognised part of life across the service industry, including restaurants, activity suppliers, taxis and guides. Local staff will look to you for personal recognition of particular services provided.

Unlike other Explore trips, during our trips in North America our Explore leaders will not operate a tips kitty. However, they will be more than happy to provide guidance throughout the trip on who to tip when and to suggest appropriate amounts.

Visa and Passport Information

USA: (Including those in transit) Citizens of the UK, New Zealand, Australia, and passport holders from several EU countries can enter the United States under the Visa Waiver Program (VWP). You must apply online for an ESTA (Electronic System for Travel Authorisation), here <https://esta.cbp.dhs.gov> no later than 72 hours prior to travel. Travellers who have not registered before their trip may be refused boarding.

You must have an electronic passport with a digital chip containing biometric information about the passport owner. UK passports which are biometric feature a small gold symbol (camera) at the bottom of the front cover.

If you have visited Libya, Iran, Iraq, Somalia, Sudan, Syria or Yemen since 01 March 2011 or are dual nationals of these countries, you cannot travel with an ESTA. If you are a citizen of a country not included in the VWP you cannot apply for an ESTA. In both cases, you will instead need to apply for a visa from the nearest US Embassy or Consulate. If you are unable to provide a valid visa before boarding flights to the US, or entering via another method, you may not be permitted to travel.

Please note for your ESTA application you will be required to supply Point of Contact information. Explore's USA contact information will be listed on your final documentation which you will receive approximately 3-4 weeks before departure. If you are leaving for the USA before this, please call the Explore team to get this information. (This is not necessary if only transitting through the USA)

I-94 - This is only required for completion if entering the USA by land through an official border crossing. For anyone entering by air or sea, you will be advised about this form during your journey if applicable. The i94 is a history of entries and exits to the US. You can get this for free online here: <https://i94.cbp.dhs.gov/i94/#/home>. Each i94 accessed is only valid for border crossing for 7 days after printed.

Entry requirements for the USA can change regularly, therefore, please ensure you have the most up to date information before

you travel by checking the US embassy website. Visa applications - <http://london.usembassy.gov/niv/apply.html>

Canada (in transit): An electronic travel authorisation (ETA) is required by British citizens transiting via Canada. For more information see the official Canadian government website: <http://www.cic.gc.ca/english/visit/eta.asp>
Other nationalities should consult their local embassy or consular office.

If you do require assistance in obtaining a visa then you may consider applying through Explore's recommended visa service in the UK, Travcour. See www.travcour.com to download the relevant visa application for your trip, if applicable (UK citizens only), along with details of how to apply for your visa through Travcour. The Team at Travcour will be happy to answer specific questions relating to visa applications, please call them directly on 0208 5431846.

The transfers will be from the Explore designated airport or train station to the joining point of your tour, and then back from the ending point to the designated airport or train station. The exception to this rule is customers who are booked on a tour where the joining and ending point is at the designated airport or train station.

Free transfers are not available for Self-Guided, Polar, Tailormade or Tours for Churches customers.

If you are not eligible for the Free Transfer then you will need to make your own way through to the joining and ending point. On a majority of our tours Explore will be able to provide a private transfer at an additional cost. Please ask for a quote at the time of booking.

Insurance

It is a condition of booking with Explore that you have adequate valid travel insurance. It is your responsibility to arrange appropriate travel insurance and ensure you have read and understood the full terms and conditions of your travel insurance policy to ensure that you are covered for all activities you intend to undertake whilst on the tour, including all optional activities. Your Insurance Policy must fully cover you for medical expenses and emergency repatriation to your home country. Please ensure your policy includes medical emergency helicopter evacuation in the event of illness or injury and covers the entire duration of your holiday. If you are trekking at altitude please ensure that there is no upper altitude limit which may limit or exclude cover for your trip. The cost of many of our Polar Voyages will exceed the capped amount covered by standard insurance premiums and you will be required to pay an additional premium to cover the full value of your trip. Please ensure that you are covered for the full amount of your holiday cost, as insufficient cover could invalidate a claim under the policy. Medical and repatriation insurance cover is not mandatory for UK residents who are travelling on trips within the United Kingdom. Read more information about what travel insurance is required.
